Pathwork Guide Lectures:

50/50 Talks Moira Shaw, Bert Shaw, 2019-08-13 *The Pathwork of Self-Transformation* Eva Pierrakos, 2013-06-19 The gift of Eva Pierrakos's Pathwork has been with me for twenty years. It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams. Each time I read it I am amazed at the depth and breadth of wisdom and love it teaches. It is a practical way of truth that will change your life. Barbara Ann Brennan, author of *Hands of Light* For more than twenty years Eva Pierrakos was the channel for a spirit entity known only as the Guide. Combining rare psychological insight with an inspiring vision of human possibility the Guide's teachings known as the Pathwork have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork. Under such headings as *The Idealized Self Image*, *The Forces of Love Eros and Sex*, *Emotional Growth and Its Function*, *Real and False Needs* and *The Spiritual Meaning of Crisis* the Pathwork outlines the entire process of personal spiritual development. Unlike many over idealized philosophies the Pathwork confronts our devils as well as our angels, our all too human failings and petty ego concerns as well as our divine strengths. It shows us how to accept ourselves fully as we are now and then to move beyond the negativity or lower self that blocks our personal and spiritual evolution. It offers a practical, rational and honest way to reach our deepest creative identity. I would advise that this book be read with a willingness to take time to digest what the Guide says. This is not light reading, though it is light reading. I assure you I find an enormous compatibility between these lectures and Emmanuel's teachings. What a wonderful gift to a wonderful world. Pat Rodegast, author of Emmanuel's Book.

Healing Our Children Ramiel Nagel, 2009 Nagel reveals the actual cause of the following diseases: Birth Defects, Sudden Infant Death, Autism, Infertility, Colic, Tooth Decay, Miscarriage, Infant Mortality, Morning sickness, Premature Birth, Scoliosis, Postpartum Depression and Mental Disabilities. The true cause is our toxic foods, our toxic medicines, our toxic environment and our toxic world. In knowing this and learning to make wise choices you become empowered to prevent these conditions.

Deep Origin Healing Robert Maddox, Janice Maddox, 2019-12-09 Are we a microcosm of the emotional psychological and spiritual dysfunction we see all around us in our families in our societies and in the world In what way are we affected by and do we perpetuate this chaos Why haven't personal healing paths manifested change on a larger scale How can we create transformational healing that is inclusive of the entire macrocosm DEEP Origin explores how fallen natures became imprinted on our hearts passing through the lineage to reconstitute themselves in each successive generation as dysfunctional emotional human patterns Early life experiences trigger the creation of psychic wounds in each of us reminiscent of the original breakdown in the Garden of Eden These wounds were perceived as unbearable to our child selves and we reacted by creating the personality defenses and masks we live behind DEEP Origin Healing starts with the premise Where there is Divine Energy there can be Emotional Process Bringing God and Goddess love into the equation changes everything

Walker Jill Loree, 2018-08-31 You remember Wild the somewhat spiritual memoir about the author's amazing trek and heart breaking backstory right This isn't that Although there is some wandering around that leads to recovery and redemption And hiking did happen along the way This could be A Million Little Pieces but it's not This story is actually all true Might even be Mommy Dearest but thankfully it's not even close For this story is told with heart and sensitivity In fact Walker is really about one woman's spiritual journey to open her heart and develop compassion Through it all her own gumption would be her steady companion The title of Walker evolved from a line in a poem There is no road walker you make the road by walking This phrase captures the narrative of Jill Loree's life on many levels From Proverbs and Tiny Songs You walking your footsteps are the road and nothing else there is no road walker you make the road by walking By walking you make the road and when you look backward you see the path that you never will step on again Walker there is no road Only wind trails in the sea By Antonio Machado 1875 1939 translated by Robert Bly Walker starts out with a young girl raised in a singing Lutheran family where things looked good on the outside But inside Jill Loree was struggling Later she would trudge the dreary road of destiny as the AA Big Book puts it getting sober at 26 and picking up only one white chip That's not nothing considering that most of Jill Loree's childhood memories are infused with her father's drinking Her mother on the other hand had a controlling co dependent streak that wouldn't end Sounds dreary indeed right In her spiritual memoir however Jill Loree artfully lifts the story out of the ditch and finds the grace weaving between the lines Walker also merges in a touch of poetry her own her sons and even her Dad's adding heart depth and levity to the telling Her gentle wit and brisk writing pace keeps things moving along True to the title there's no need to sit and stew in misery Yes hard things happened along the way but there was also delight Jill Loree was a working mom who bumped up against a few bricks but managed to flow around most of them In the end her career in advertising and the corporate world would prove both challenging and rewarding her role as a mother would both exhaust and fulfill her Practically from the get go a spiritual message gets laid down and it grows sturdier as the journey unfolds From a youth spent singing in a church choir through those atheistic years of alcoholism and onto the great discovery of a transformational path called Pathwork her spiritual life has been a tenacious wildflower that keeps blooming with each new season and

thriving Today Jill Loree s spiritual path is filled with the light of Christ which is what she has discovered emerges from the core of one s being after clearing away the detritus accumulated in youth Just as the Pathwork Guide said it would That s the deeper message she is now passionate about sharing and which shines through in this warm telling of the story of her life

The Apocalypse of the Aquarian Age Albert Amao Soria Ph.D.,2021-02-23 Humanity has stepped at the beginning of the Water Carrier Age s threshold Its influence is gradually being felt in all areas of life This is the time for spiritual renewal and the turning point for the shifting of consciousness Contrary to the period of mental bondage prejudice and religious bigotry which was the Piscean Era characteristic we are awakening to another chapter of human history leading to the realization of the Oneness of life and the human race s interconnectedness The world is currently undergoing radical socio economic and political upheavals because we are transitioning from one chapter of human history to another Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world Contrary to that this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one We embrace and celebrate the coming of a new age of enlightenment the awareness of human beings brotherhood
