Difficult to put down This is one that I highly recommend True Crime Book Reviews on Watch Mommy Die Die For Love Sarah Ludemann was new to love The Pinellas Florida 17 year old was a late bloomer When she fell for a boy she was blind to the world of sex drugs and drama swirling around her Soon Sarah had a bitter enemy in 18 year old waitress Rachel Wade both girls were head over heels with a cocky two timer named Joshua Camacho On a warm spring night their passions

erupted into violence A knife flashed under the streetlights When the fight was over one girl was dead and the other charged with murder In an emotion packed courtroom the whole story took shape a troubling tale of conflicting lives tangled sexual affairs and the high price of having the right feelings for the wrong guy Brisk pacing shocking details Publishers Weekly on The Burn Farm Includes dramatic photos Global Perspectives on Reforming the Criminal Justice System Pittaro, Michael, 2021-06-25 The often tenuous relationship between law enforcement and communities of color namely African Americans has grown increasingly strained and the call for justice has once again ignited the demand for criminal justice reform Rebuilding the trust between the police and the citizens that they have sworn to protect and serve requires that criminal justice practitioners and educators collaborate with elected officials and commit to an open ongoing dialogue on the most challenging issues that remain unresolved but demand collective attention and support Reform measures are not limited to policing policies and practices but rather extend throughout the criminal justice system There is no denying that the criminal justice system as we know it is flawed but not beyond repair Global Perspectives on Reforming the Criminal Justice System provides in depth and current research about the criminal justice system around the world its many inadequacies and why it urgently needs reformation Offering a fully fleshed outline of the current system this book details the newest research and is incredibly important to fully understand the flaws of the criminal justice system across the globe The goals of this book are to improve and advance the criminal justice system by addressing the glaring weaknesses within the system and discuss potential reforms including decreasing the prison population decarceration and improving police community relations Highlighting topics that include accountability community oriented policing ethics and mass incarceration this book is ideal for law enforcement officers trainers educators government officials policymakers correctional officers court officials professionals researchers academicians and students in the fields of criminal justice criminology sociology psychology addictions mental health social work public policy and public administration
