Some of its key features are: An introduction to each book of the Bible supplying a complete summary of the context; An in-depth understanding of the original biblical languages making comparison to modern language easy; Extensive cross-referencing throughout the text linking passages and their meanings; Exposition of words and phrases in boldface enabling quick definition; An easy-to-follow format. Published by Delmarva Publications, this handsome one-volume set has all of the 9 volumes of the commentary included. It has an easy-to-read typeface and includes a well-organized layout providing ease of transition from passage to passage.
