

There are several ways the assessment practices included in teacher education curricula support these practices. They also contribute to faculty attention to students' personal and learning experiences as the primary considerations in planning.

Embedding the evidence base

The chapters in this book have been carefully chosen to support your three central assessment theories, practices and goals. Each chapter has clearly outlined what these authors include as evidence and what evidence is used to support their claims. Each chapter also includes a chapter summary and a list of key takeaways to help you understand the evidence base and its implications for your practice.
