culture US foreign policy globalization imperialism international relations and social movements **Promotional Culture and Convergence** Helen Powell, 2013-04-17 The rapid growth of promotional material through the internet social media and entertainment culture has created consumers who are seeking out their own information to guide their purchasing decisions Promotional Culture and Convergence analyses the environments necessary for creating a culture of collaboration with consumers and critically engages with key areas of contemporary promotional development including promotional culture s primary industries including advertising marketing PR and branding and how are they informed by changes in consumer behaviour and market conditions how industries are adapting in the digital age to attract both audiences and advertising revenue the evolving dialogues between new consumers and producers and promotional industries Ten contributions from leading theorists on contemporary promotional culture presents an indispensable guide to this creative and dynamic field and include detailed historical analysis in depth case studies and global examples of promotion through TV magazines newspapers and cinema Design and Strategy Wanda Grimsaard, 2022-12-14 This major practical handbook bridges the gap between strategy and design presenting a step by step design process with a strategic approach and extensive methods for innovation strategy development design methodology and problem solving It is an effective guide to planning and implementing design projects to ensure strategic anchoring of the process and outcome Built around a six part phase structure that represents the design process covering initial preparations and project briefing research and analysis targets and strategy concept development prototyping and modelling production and delivery it is a must have resource for professionals and students Readers can easily dip in and out of sections using the phase structure as a navigation tool Unlike other books on the market Design and Strategy addresses the design process from the perspective of both the company and the designer For businesses it highlights the value of design as a strategic tool for positioning competition and innovation For the designer it teaches how to create solutions that are strategically anchored and deliver successful outcomes for businesses resulting in appreciative clients It includes over 250 illustrations and diagrams tables and text boxes showing how to move through each stage with clear visualisation and explanation This book encourages all designers in product design and manufacturing service design communication design branding and advertising to think beyond shape and colour to see design through the lens of strategy process and problem solving and all business managers innovators and developers to see the value in strategic design outcomes How Consumer Culture Controls Our Kids Jennifer Hill, 2015-11-02 This gripping book considers the history techniques and goals of child targeted consumer campaigns and examines children s changing perceptions of what commodities they need to be valued and value themselves In this critique of America s consumption based society author Jennifer Hill chronicles the impact of consumer culture on children from the evolution of childhood play to a child s self perception as a consumer to the consequences of this generation s repeated media exposure to violence Hill proposes that corporations eager to tap into a multibillion dollar market use the power of advertising and the media to mold

children's thoughts and behaviors. The book features vignettes with teenagers explaining in their own words how advertising determines their needs, wants, and self-esteem. An in-depth analysis of this research reveals the influence of media on a young person's desire to conform, shows how broadcasted depictions of beauty distort the identities of children and teens, and uncovers corporate agendas for manipulating behavior in the younger generation. The work concludes with the position that corporations are shaping children to be efficient consumers but in return are harming their developing young minds and physical well-being.
