No Safe House:

No Safe House Jan Garnett, 2024-04-05 Kathleen Kot Cafferty is an optimist a dedicated professional and rather fond of control until she is suddenly swept into the RCMP's Witness Protection Program with only her dog Medley for company When the safe house becomes anything but Kot realizes that she has to disappear on her own terms to somewhere that not even the police can find her Kot and Medley paddle into the Salish Sea at night to hide until the need for supplies forces her to head for one of the larger islands on the horizon On Atticus Island Kot finds work friends and a measure of security but she still looks forward to returning to her real life Things get even more interesting when a global celebrity with lifelong roots on Atticus takes a keen interest in her When Kot discovers an young girl living secretly in the island's decommissioned lighthouse she is torn between the law and the need to protect the fragile safety that each of them has found Meanwhile detectives achieve a breakthrough in their investigations into deadly drug smuggling through the Port of Vancouver uncovering unexpected links to events on Atticus Island After a stranger appears on the island who is openly hunting for Kot her survival rests on the resourcefulness of her friends and ultimately on the not so rare altruism of another species No Safe House was short listed for the Crime Writers of Canada's 2023 Best Unpublished Manuscript Award Reviewer's comments included an ambitious and lyrical novel that takes its time to draw together disparate threads and characters into a transcendent whole and exquisite description superb dialogue and a complex and topical plotline **No Safe House**

Linwood Barclay, 2014-08-05 The New York Times bestselling author delivers the follow up to No Time for Goodbye an electrifying novel of suspense in which a family's troubled past is about to return in more ways than one And this time they may not be able to escape Seven years ago Terry Archer and his family who first appeared in No Time for Goodbye experienced a horrific ordeal that nearly cost them their lives Today the echoes of that fateful night are still audible Terry's wife Cynthia is living separate from her husband and daughter after her own personal demons threatened to ruin her relationship with them permanently Their daughter Grace is rebelling against her parents seemingly needless overprotection Terry is just trying to keep his family together And the entire town is reeling from the senseless murder of two elderly locals But when Grace foolishly follows her delinquent boyfriend into a strange house the Archers must do more than stay together They must stay alive Because now they have all been unwillingly drawn into the shadowy depths of their seemingly idyllic hometown For there they will be reconnected with the man who saved their lives seven years ago but who still remains a ruthless unrepentant criminal They will encounter killers for hire working all sides And they will learn that there are some things people value much more than money and will do anything to get it Caught in a labyrinth between family loyalty and ultimate betrayal Terry must find a way to extricate his family from a lethal situation he still doesn't fully comprehend All he knows is that to live he may have to do the unthinkable **No Safe House**, 2014 A family's troubled past is about to return in more ways than one And this time they may not be able to escape state of pain: torture in uganda, 2004
