provoking questions on life. sanjeev sareen, 2023-01-24 Most people surrender to and live through their life in mediocracy They find life as boring when they make no attempt to gain knowledge that should inspire them Understanding is our greatest need on the spiritual path and on the path of life no matter what our trials Remember God never causes harm or suffering to anyone It is we who by understanding or misunderstanding help or hinder ourselves The other aspect of life is each one of us carries within us generations of human beings whose descendants we are That is why when we are able to triumph over our own weaknesses through knowledge and working on them we take this inner family along with us on the path of light and freedom Not only do we help all our ancestors but we also help our descendants for we pass on to them the inner treasures we have acquired Working on self is all the more important since in doing so we improve entire generations and pass on the fruits of our efforts to them No one lives or acts solely for themselves each person lives and acts for a great number of other creatures for whom they have a great responsibility The wisdom in this volume is not the studied learning of a scholar but the truth as perceived through learning from a Guru over 25 years reading of many realized masters Paramhansa Yoganand Ji in particular studying life at large and mainly own Meditation practice This book is designed to provide readers with a brief summary and overview of important individual topics and issues for quick reference and ease in studying The works are written in a question and answer format They follow some logical progression so that those reading will receive a greater appreciation of the topic and issues involved It is said by one realized master that life without understanding is Spiritual and Material suicide Here Is an opportunity to learn and then make use of the learning for self growth Dead Angels Bleed Michael Rogers, 2010-03-16 Dead Angels Bleed is the story of Jacob a man with the power of life and death over every living thing on the planet and his complex relationship with Azrael the Angel of Death This special edition features a sample chapter from Michael Charles Rogers forthcoming novel Temptation's Despair *No Easy Answer*

Menking,2023-02-02 The powers of death are closer than we thought Their perils appear in the forms of increased gun violence racism economic disparity and global warming to name but a few Faced with these threats Christians in this self absorbed culture tend to use their faith as a kind of palliative comfort that protects them from the truths of what these powers are doing to us as a human community and the sufferings they are inflicting on others particularly the poor and the disenfranchised Moreover it is used to shield them from responding to the gospel s call to leave survival for vocation Using Luther s theology of the cross and the instruction he imparts in his Large Catechism this book asserts that in the face of the sufferings in which we are situated the gospel news of Jesus s resurrection is a call to stand in its hope and power to resist these devastations and the dehumanization exploitation and domination they inflict The hope of God s life giving creativity in the face of the powers of death is given witness when Christians leave survival modes of existence to be in their baptismal vocation of loving neighbors as themselves
