Financial Planning Essentials Warren McKeown, Marc Olynyk, Lisa Ciancio, Diem La, 2024-10-28 The second edition of Financial Planning Essentials delivers concise contemporary relevant and curriculum aligned content carefully tailored to first year undergraduate students. Students will be inspired rather than saturated by information on how to advise their future clientele about investment decisions throughout their lifetime. Encompassing the entire spectrum of client wealth management from wealth development and protection to early investments, superannuation and estate planning, this edition equips students with comprehensive knowledge and skills. A key focus is on instilling students with the necessary language and communication tools to deliver meaningful guidance to their future clients. Through a systematic exploration of fundamental concepts and technical competencies, Financial Planning Essentials 2nd edition primes students for successful and fulfilling careers in financial planning. This text serves as an indispensable guide fostering both readiness and enthusiasm among aspiring financial planners.

Simple Money Tim Maurer, 2016-02-23 When it comes to money management, most of us take a hands-off approach because we're just not confident that we have the know-how needed. But personal finance is actually more personal than it is. Finance, Tim Maurer has made a career out of distilling complex financial concepts into understandable, doable actions. In this eminently practical book, he shows readers how to better understand their values and goals in order to simplify their money decisions, budget major expenses intelligently, reduce and eliminate debt, make vital decisions on home, auto and life insurance, establish a world-class investment portfolio, craft a workable retirement plan and more. Readers will be relieved to see that managing their money is actually not as complicated as they thought and that they can take control of their financial future starting today.
