tumours and questionable marketing that accelerated opioid addictions through a product that rivals even those of the Sacklers and Purdue Pharma Filled with shocking and infuriating but utterly necessary revelations *The Dark Secrets of Johnson Johnson* is a landmark work of investigative journalism that lays bare the deep rooted corruption behind the image of babies bathing with a smile Double Marriage: Or, White Lies ... A New Edition Charles Reade,1872 Cyclopædia of English Literature Robert Chambers,1847 **Shakespeare in Modern English** Translated by Hugh Macdonald,2016-12-05 Shakespeare in Modern English breaks the taboo about Shakespeare's texts which have long been regarded as sacred and untouchable while being widely and freely translated into foreign languages It is designed to make Shakespeare more easily understood in the theatre without dumbing down or simplifying the content Shakespeare's *As You Like It* *Coriolanus* and *The Tempest* are presented in Macdonald's book in modern English They show that these great plays lose nothing by being acted or read in the language we all use today Shakespeare's language is poetic elaborately rich and memorable but much of it is very difficult to comprehend in the theatre when we have no notes to explain allusions obsolete vocabulary and whimsical humour Foreign translations of Shakespeare are normally into their modern language So why not ours too The purpose in rendering Shakespeare into modern English is to enhance the enjoyment and understanding of audiences in the theatre The translations are not designed for children or dummies but for those who want to understand Shakespeare better especially in the theatre Shakespeare in Modern English will appeal to those who want to understand the rich and poetical language of Shakespeare in a more comprehensible way It is also a useful tool for older students studying Shakespeare The Home Book of Verse, American and English, 1580-1912 ,1912 The English Mail-Coach and Joan of Arc Thomas De Quincey,2021-05-20 In *The English Mail Coach and Joan of Arc* Thomas De Quincey employs a distinctive literary style that encapsulates Romantic sensibilities while intertwining evocative prose with poignant personal reflection The text explores the historical significance of the mail coach system in 19th century England serving as a metaphor for rapid societal change while simultaneously engaging with the mystique and heroism of Joan of Arc De Quincey's work navigates between autobiography essay and historical commentary showcasing his unique ability to blend the subjective with the collective narrative of one's cultural heritage Thomas De Quincey an influential figure in Victorian literature is well known for his autobiographical works and explorations of opium addiction His fascination with the supernatural and the macabre likely influenced his portrayal of Joan of Arc whom he considers a symbol of visionary strength amid turmoil De Quincey's own experiences with existential uncertainty and his historical awareness provide a rich context for his reflections on the brave and tragic figure of Joan This book is a must read for anyone interested in the intersections of history literature and personal introspection De Quincey's eloquent examination of these themes not only provides insight into the era's cultural landscape but also invites readers to reflect on the nature of heroism and the passage of time **English Childhood** Adolph Charles Babenroth,1922 **The Confessions of an English Opium-Eater** Thomas De Quincey,1998-07-02 Confessions of an

English Opium Eater is an account of the early life and opium addiction of Thomas De Quincey in prose which is by turns witty conversational and nightmarish On the Knocking at the Gate in Macbeth offers both a small masterpiece of Shakespearian interpretation and a provocative statement of De Quincey's personal aesthetic of contrast and counterpoint Suspiria de Profundis blends autobiography and philosophical speculation into a series of dazzling prose poems which explore the mysteries of time memory and suffering The English Mail Coach develops a richly apocalyptic vision which sets nineteenth century England's political and imperial grandeur against the suffering and loss of innocence which it entails This selection presents De Quincey's major works in their original uncut and unrevised versions which in some cases have not been available for many years
