Tejpal, 2012-09-25 Spine chilling written with flair and clear eyed acidity The New Yorker Based on actual events The Story of My Assassins tells the story of a journalist who learns that the police have captured five hitmen on their way to kill him Landing like a bombshell on his comfortable life just as he's started a steamy affair with a brilliant woman the news prompts him to launch an urgent investigation into the lives of his aspiring murderers a ragtag group of street thugs and village waifs and their mastermind Who wanted him dead and why But the investigation forces him to reexamine his own life too to confront his own notion of himself his job and his treatment of the women in his life as well as his own complex feelings about the country that crafted his would be killers Part thriller and part erotic romance full of dark humor and knife edged suspense The Story of My Assassins is a piercing literary novel that takes us from the lavish hedonistic palaces of India's elite to its seediest slums It is a novel of corruption passion power and ambition of extreme poverty and obscene wealth It is an awesome adventure into the heart of today's India **Language Use in Media Regarding the Present-Day Muslim**

World Sirin Sait, 2015-05-27 In this thesis first of all the relation between language and media will be outlined i.e. the linguistics of newswriting will be explained by providing a general analysis of the processes that produce the language of the news Furthermore this chapter will also deal with discourse and ideology in the press in order to demonstrate that newspaper coverage of world events is not unbiased and to show what the linguist consequently has to pay attention to when compiling a newspaper corpus Sexual Consent Milena Popova, 2019-05-07 An introduction to issues of sexual consent

covering key strands of feminist thought how sexual consent is negotiated in practice the influence of popular culture and more The MeToo movement has focused public attention on the issue of sexual consent People of all genders from all walks of life have stepped forward to tell their stories of sexual harassment and violation In a predictable backlash others have taken to mass media to inquire plaintively if flirting is now forbidden This volume in the MIT Press Essential Knowledge series offers a nuanced introduction to sexual consent by a writer who is both a scholar and an activist on this issue It has become clear from discussions of the recent high profile cases of Harvey Weinstein Bill Cosby and others that there is no clear agreement over what constitutes consent or non consent and how they are expressed and perceived in sexual situations This book presents key strands of feminist thought on the subject of sexual consent from across academic and activist communities and covers the history of research on consent in such fields as psychology and feminist legal studies It discusses how sexual consent is negotiated in practice from No means no to Yes means yes and describes what factors might limit individual agency in such negotiations It examines how popular culture including pornography romance fiction and sex
