No Shape Bends The River So Long:

No Shape Bends the River So Long Monica Berlin, Beth Marzoni, 2015-01-06 WINNER OF THE NEW MEASURE POETRY PRIZE Selected by CAROLYN FORCH Free Verse Editions edited by Jon Thompson What to make of this grand experiment over months and miles of river by two poets not one Monica Berlin and Beth Marzoni plus whatever third spirit they've invented together Like music from the 8th century written by Anonymous that haunting ubiquitous voice these poems feel unsettlingly interchangeable keep coming like the country's longest river dream documented here in a rich rush dense with repetition and sorrow by poets who think like a glacier or a stone sand years like consistent rain The Mississippi never had better companions or more devoted ones save Mark Twain perhaps or more to the point his troubled star crossed Huck The sense of human and nonhuman history even prehistory stuns keeps bothering this shared solitary work Wake to any weather know that long ago there also was I'll take that as rare solace MARIANNE BORUCH

They Who Saw the Deep Geraldine Monk, 2016-04-01 At the heart of this collection of poems is the nature of water water as giver and taker of life luxuriant and lethal in equal measures It is set against the backdrop of the shipping forecast and weaves the myths and legends of the ancient Mesopotamians through a litany of migrations down the ages to the present day

The Republic of Song Kelvin Corcoran, 2020-04-15 The Republic of Song is a journey to discover the place of that name moving through abhorrence to vision The political chicanery of barely believable figures is excoriated and set against a world where Orpheus holds sway friendship outstares death Nina Simone is happy and Jack Spicer sends us a message about daddy Zeus president In The Republic of Song everything is changed and the lyric states its claim in the face of exile The Republic of Song is also that place where having a drink with a friend in a bar in Brussels can unlock part of the story and prompt the freedom of seeing things for what they are In the conclusive poem The Museum of the Sea the supposedly distant past is alive in the present and deep time is now Odysseus is at sea with the victims of the migrant crisis everything is new and nothing is new

Ghost Letters Baba Badji, 2021-01-01 In Ghost Letters one emigrates to America again and again and again though one also never leaves Senegal the country of one's birth one grows up in America and attends university in America though one also never leaves Senegal the country of one's birth one wrestles with one's American blackness in ways not possible in Senegal though one never leaves Senegal the country of one's birth and one sees more deeply into Americanness than any native born American could Ghost Letters is a 21st century Notebook of a Return to the Native Land though it is a notebook of arrival and being in America It is a major achievement Shane McCrae
