The Witch in the Well is a dark Norwegian thriller from Camilla Bruce, author of *You Let Me In*. When two former friends reunite after decades apart, their grudges, flawed ambitions, and shared obsession swirl into an all-too-real echo of a terrible town legend. Centuries ago, beautiful young Ilsbeth Clark was accused of witchcraft after several children disappeared. Her acquittal did nothing to stop her fellow townsfolk from drowning her in the well where the missing children were last seen. When author and social media influencer Elena returns to the summer paradise of her youth to get her family's manor house ready to sell, the last thing she expected was connecting with and feeling inspired to write about Ilsbeth's infamous spirit. The very historical figure that her ex-childhood friend Cathy has been diligently researching and writing about for years. What begins as a fiercely competitive sense of ownership over Ilsbeth and her story soon turns both women's worlds into something more haunted and dangerous than they could ever imagine.
