English language education that wants to be relevant for today's learners in a media-influenced social environment needs to include series and serials. Our publication enables future language teachers to implement series and serials in their English language classrooms purposefully and equip their learners with series_serials literacy, i.e. the ability to deal with series and serials in an autonomous and critical manner. Three introductory chapters provide substantial theoretical and conceptual considerations on serial narratives, objectives and methods of teaching series and serials. Subsequently, experts in the field of language teaching introduce 17 selected series and serials from different genres ranging from comedies to sci-fi. Each chapter provides in-depth analyses of the chosen example as well as practical teaching suggestions which are accessible online. **Noah's Ark: Full Series Box Set** Harry Dayle, 2016-05-27 **Noah's Rights** Kenni York, 2017-02-28
Nearly every two minutes in America someone is sexually assaulted. Olivia Collins, an urban author residing in the heart of the hood, knows this fact all too well. Working hard to repress her own issues, Olivia encounters Noah, an underprivileged foster kid who views himself as a number, a statistic. As the awkward duo gets to know one another, secrets about Noah begin to unfold that unravel Olivia's resolve and force her to deal with her own demons. No one understands her sudden and unexplainable connection to the young boy, but their relationship runs deeper than anyone around her could ever understand, given her undisclosed past. Olivia's certain that she and Noah are bound by a common pain, making them nearly one in the same, for she too is a statistic in her own way. PRAISE FOR NOAH'S RIGHTS

married and had three children We were very poor but happy I came to America looking for a better life for the children and all hell broke loose My ex husband started living a life I never thought of I came to America illegally and had to run from immigration It was heartrending what I went through after getting my legal papers receiving my permanent resident card and finally getting the children into the United States I was homeless with three children I was abused physically mentally and emotionally I had to run away It was the most terrifying time of my life on the road and I had nowhere to go As a parent you try to stir your child in the right direction Unfortunately one of my son turned to the wrong path and there was endless troubles I couldn't be there for them because I had to work two jobs I started to save what I could to buy a house in the United States and way after I built my house in Jamaica so I could migrate when it was cold in America I later got married with another man but that went downhill I got sick with my right foot and it was difficult to walk My huge mansion in Jamaica was finally finished and I started to enjoy the warm visits from my lovely family Then misery hit All of a sudden a neighbor I used to be more than a mother to became envious of me and decided to block the road that I had dug out ten years prior with his building That was the only way to my house I decided to take the case to court and ended up with a lawyer that was a crook and didn't do anything for the case The lawyer was presented with all the information needed to win the case Six years later I was still dealing with skeptical lawyers Other lawyers were dumbfounded as to why the judge ruled in his favor to own the road I have a new lawyer working on the case now and I've received my registered title to say I own the road Today the trial has not ended but trials are there to make us strong There is nothing that I've been in where my Lord and Savior have never gotten me out of Just trust in God He will make a way May God bless you all
