

Northwestern University Supplemental Essay

Prompt:

Describe the person who inspires you the most.

When I was in my second year in high school, there was a senior student whom I have particularly taken some interest with. Appearance wise, I consider her a normal student. She is not part of the cheerleading team, but she was part of the school's Red Cross club. I never see her laughing loudly with other girls in her class. Rather, I don't know why but I always end up seeing her helping another person.

One day, I saw her helping an old woman cross the street in her neighborhood. I thought that only happened in story books and movies, but there I saw her doing that. At one time, I saw her walking in an alley near our school, and the student, a freshman, walking in front of her threw her rubbish on the road, she stopped to collect the garbage and ran after the student. She seemed to have explained the matter very calmly, and I saw the student scratching his head calmly, taking the garbage, went into the garbage can, throwing it nicely.

I have always admired her because of that. She became very influential to me without her knowing it that I often find myself imitating the things that she is doing. I also believe in helping others, and I want to do well. She does so effortlessly and with courage. I am not afraid of doing that too. However, I believe that I still need practice in order to cultivate that trait naturally in me. I do not have plans in telling that senior student that I have been observing and imitating her. But I do hope that by me imitating her, other people would also be inspired to do good to other people.
