Notification Application For Asha :

The False Facade Farhah Dhamirah, 2024-04-22 Asha Qistina is an influencer and social media personality known for her curated aesthetic of beauty and books. With over a million followers, Asha has become a guiding light for many young girls steering them towards her lifestyle. However, Asha's online personality differs from the Asha in real life. What her followers don't know is that she puts on a filter for every livestream and doesn't even provide honest reviews of her skincare products. When the line between the digital realm and real life blurs, Asha's own face starts transforming into the very filters she uses on Glimmergram. She finds herself caught in a battle with the supernatural Doll face filters and face distortion filters materialise onto her face and she has no idea how to save herself. Will Asha get her face back or will social media filters be etched onto her face for eternity?

Professional Issues in Speech-Language Pathology and Audiology, Sixth Edition Melanie W. Hudson, Mark DeRuiter, 2023-10-06 This sixth edition of *Professional Issues in Speech Language Pathology and Audiology* is intended to be a primary text for students in speech language pathology and audiology as well as a resource for practitioners providing a comprehensive introduction to contemporary issues that affect these professions and service delivery across settings. It aims to provide a better understanding that day to day clinical work as well as personal professional growth and development are influenced by political, social, educational, health care, and economic concerns. By instilling a big picture view of the profession, future clinicians will be more prepared to make informed decisions as they provide services, engage in advocacy efforts, and plan their careers as audiologists or speech language pathologists. The book is divided into four major sections: Overview of the Professions, Employment Issues, Setting Specific Issues, and Working Productively. The information presented in each section provides the reader with a better understanding and a new perspective on how professional issues have been affected by both internal and external influences in recent years, including technological advances, demographic shifts, globalization, and economic factors. Chapter authors are recognized subject matter experts providing a blend of both foundational and cutting edge information in areas such as evidence based practice, ethics, job searching, and employment issues, interprofessional practice, service delivery in health care, and education, technology, cultural competence, supervision, and leadership. Students reading this book will appreciate how the professions have evolved over time while acquiring a sense of where they are right now as they prepare to enter the professional world. Each of the topics covered in the book will continue to play important roles in the future of speech language pathology and audiology, providing early career professionals with the requisite knowledge to achieve success in any setting. New to the Sixth Edition: New information on issues related to the COVID-19 pandemic; Coverage of recent
