Animals, 1913 **Our Dumb Animals**, 1911 [Change That Law](#) Jo Grant, Jonathan O'Brien

It started off as a typical fun-filled day for the ferrets in the Mustela Secret Service. But it didn't end that way. Taz had bad news for his playful partners: The evil Mayor Man, who lived across town, had decided that ferrets looked too much like rats. He wanted to pass a law that would make all ferrets illegal. Somehow they had to make the Mayor Man change his mind. Maybe if they could teach him to play and have fun like ferrets did, he wouldn't be so mean. With the aid of the old farm dog, they hurried across town to Mayor Man's house. But when they got there, they found Mayor Man lying hurt on the floor. They wanted to help, but how could five little ferrets work together to save a human's life?

We Give Our Hearts to Dogs to Tear Alston Chase, 2017-09-29

More than a hauntingly beautiful memoir about small dogs in Big Sky country, this book is a wise account of the relationships among dogs, humans, and the land that surrounds them. It is the story of successive generations of Jack Russell terriers, their animal friends, and their human companions. Alston Chase searches for the immortality of dogs, what makes them unique companions, and why we humans willingly give them our hearts, knowing that someday they will be broken. This book will resonate with anyone who has ever loved a dog. Chase muses that dogs are the
