Brett Blair,2000-07 Anyone who has done children s sermons will sooner or later hear from someone that I learn more from the children s sermon than I do from the real sermon And indeed the truths of scripture are so simple that even a child can understand them So it s no accident that children s sermons have become a central part of the worship service in many churches Brett Blair and Tim Carpenter offer a year s worth of object lessons that engage children and impart profound lessons for all ages Two sermons are provided for each Sunday in Cycle C of the Revised Common Lectionary one based on the Second Lesson and one based on the Gospel The messages are structured in two parts the lesson uses an object to draw out active responses from children then the application connects that object to the assigned scripture reading Each message includes a clear statement of its exegetical aim Bright innovative perceptive creative grace filled Brett Blair and Tim Carpenter are all of those and much much more and that is reflected beautifully in their new book Children s Sermons A To Z James W Moore Pastor St Luke s United Methodist Church Houston Texas Brett Blair is associate pastor of Asbury United Methodist Church in Memphis Tennessee He holds the M Div degree from Yale University Divinity School and is a cum laude graduate of Oral Roberts University with B A and M A degrees in New Testament Literature Tim Carpenter is the pastor at First United Methodist Church in Bolivar Tennessee He is a graduate of Memphis Theological Seminary M Div and the University of Florida B A in political science [The Power of Images in Paul](#) Raymond F. Young, 2024-11-19 One of the best ways to bring clarity to a written text when the meaning is not crystal clear is through the use of a picture illustration The response Oh now I understand is often the result of a good picture illustration It is normal to have questions or to have a certain amount of confusion when reading passages from the Bible What many people are not aware of is that God has provided us with hundreds of these picture illustrations to help clarify what He is saying to us in His Word God is the master illustrator and we always come to a deeper understanding of His Word and as a result greater spiritual maturity when we look carefully at the picture illustrations He has created for us In the first section of Pictures II we will examine the picture illustrations God has provided for us through creation We will discover that much of what God has created in the physical realm helps us to understand the spiritual realm We will see how the physical explains the spiritual how the visible explains the invisible This section we will call Photo Album I In the second section of the book we will cover certain biblical principles that are contained in the New Testament and we will look to the people and events of the Old Testament for picture illustrations that bring clarity to those New Testament doctrines This section we will call Photo Album II The third section of the book is the most important We will look at what the New Testament teaches about who Jesus is and about God's plan of salvation for the world and then we will look to the people and events of the Old Testament for illuminating picture illustrations We will call this section of the book Photo Album III *Children's Missionary Magazine of the United Presbyterian Church*, 1896 Text, Image, and Otherness in Children's Bibles Caroline Vander Stichele, Hugh S.
