Annotated Oscar Wilde, 2021-06-07 The Picture of Dorian Gray is the story of one beautiful innocent young man's seduction, moral corruption, and eventual downfall. We meet our three central characters at the beginning of the book when painter Basil Hallward and his close friend Lord Henry Wotton are discussing the subject of Basil's newest painting, a gorgeous young thing named Dorian Gray. Basil and Henry discuss just how perfectly perfect Dorian is; he's totally innocent and completely good, as well as being the most beautiful guy ever to walk the earth. Lord Henry wants to meet this mysterious boy, but Basil doesn't want him to, for some reason he's afraid of what will happen to Dorian if Lord Henry digs his claws into him. However, Lord Henry gets his wish: Dorian shows up that very afternoon, and over the course of the day, Henry manages to totally change Dorian's perspective on the world. From that point on, Dorian's previously innocent point of view is dramatically different; he begins to see life as Lord Henry does, as a succession of pleasures in which questions of good and evil are irrelevant. Basil finishes his portrait of Dorian and gives it to the young man, who keeps it in his home where he can admire his own beauty. Lord Henry continues to exert his influence over Dorian, to Basil's dismay. Dorian grows more and more distant from Basil, his former best friend, and develops his own interests. One of these interests is Sybil Vane, a young, exceptionally beautiful, exceptionally talented, and exceptionally poor actress. Though she's stuck performing in a terrible third-rate theatre, she's a truly remarkable artist, and her talent and beauty win over Dorian. He falls dramatically in love with her, and she with him. For a moment, it seems like everything will turn out wonderfully. However, this is just the beginning of Dorian's story. Once he and Sybil are engaged, her talent suddenly disappears; she's so overcome with her passionate love for Dorian that none of her roles on stage seem important to her anymore. This destroys Dorian's love for her, and he brutally dumps her. Back home, he notices something different in his portrait; it looks somehow crueler. In the meanwhile, the distraught Sybil commits suicide just as Dorian decides to return to her and take back his terrible words. Sybil's suicide changes everything. At first, Dorian feels horrible, but he rather quickly changes his tune. On Lord Henry's suggestion, Dorian reads a mysterious yellow book, a decadent French novel that makes him reevaluate his whole belief system. The protagonist of the book lives his life in pursuit of sensual pleasures, which intrigues Dorian. From this moment on, Dorian is a changed man. Dorian starts to live as hedonistically as his wicked mentor, Lord Henry, does. The only thing that documents this turn for the worst is the portrait, which alarmingly begins to exhibit the inward corruption of Dorian's soul; the beautiful image changes, revealing new scars and physical flaws with each of Dorian's dastardly actions. As years pass, the man in the picture grows more and more hideous, as Dorian himself stays unnaturally young and beautiful. Rumors start to spread about the various people whose lives Dorian has ruined, and his formerly good reputation is destroyed. On Dorian's 38th birthday, he encounters

Basil who desperately asks his former friend if all the horrifying rumors about him are true Dorian finally snaps and shows Basil the portrait in which the horrible truth about his wicked nature is revealed Basil recoils and begs Dorian to pray for forgiveness In response Dorian murders Basil stabbing him brutally He blackmails another of his former friends into disposing of the body Dorian retreats to an opium den after dealing with all of the evidence where he encounters an enemy he didn't know he had Sybil Vane's brother James

The Picture Of Dorian Gray - Oscar Wilde (Stage-3) Oscar Wilde, Dorian Gray is having his picture painted by Basil Hallward who is charmed by his looks But when Sir Henry Wotton visits and seduces Dorian into the worship of youthful beauty with an intoxicating speech Dorian makes a wish he will live to regret that all the marks of age will now be reflected in the portrait rather than on Dorian's own face The stage is now set for a masterful tale about appearance reality art life truth fiction and the burden of conscience

The Picture of Dorian Gray, Oscar Wilde OSCAR WILDE, Octopus Publishing Group, 2005-04 Enthralled by his own exquisite portrait Dorian Gray exchanges his soul for eternal youth and beauty Influenced by his friend Lord Henry Wotton he is drawn into a corrupt double life indulging his desires in secret while remaining a gentleman in the eyes of polite society Only his portrait bears the traces of his decadence

The Picture of Dorian Gray Oscar Wilde, 2020-12-13 The story begins in the art studio of Basil Hallward who is discussing a current painting with his witty and amoral friend Lord Henry Wotton Henry thinks that the painting a portrait of an extraordinarily beautiful young man should be displayed but Basil disagrees fearing that his obsession with the portrait's subject Dorian Gray can be seen in the work Dorian then arrives and he is fascinated as Henry explains his belief that one should live life to the fullest by indulging one's impulses Henry also points out that beauty and youth are fleeting and Dorian declares that he would give his soul if the portrait were to grow old and wrinkled while he remained young and handsome Basil gives the painting to Dorian
