Clark Russell, 2014-11-25 Originally published in 1897 this work contains a wealth of information on the life and exploits of one of Britain's most famous military leaders The following passage is taken from its preface One page of graphic description is worth whole shelves of insipid narrative This was my opinion when in my *Life of Nelson* published by Messrs Putnam's of New York I quoted in full as I quote in these pages Lieutenant Parsons picture of Nelson on board his ship when in chase of the *Genereux* one of the two line of battle ships which had escaped from the *Niie* Captain Mahan has also I observe quoted in full this description without however referring to his authority One wants to know how they fought in Nelson's time We can think of nothing but the ironclad and the torpedo in this age **Pictures from the Life of Nelson ... Illustrations, Etc William Clark RUSSELL, 1897 **The Life of Nelson** Geoffrey Arthur Romaine Callender, Sir Geoffrey Arthur Romaine Callender, 1912 *The Life of Nelson, by Robert Southey* Tim Fulford, 2021-06-28 The Life of Nelson is one

of Robert Southey's most influential and bestselling works. This new edition will contain a comprehensive critical apparatus that will make sense of the major issues posed by the text and how it contributes to studies of both Southey and Romanticism. The edition will feature a critical and contextual introduction which will set out the origins and composition of the text together with its publication history as well as offer a carefully considered view of the interplay between the *Life* and other biographies of Nelson bringing into view the wide array of sources and influences Southey drew from. Critic and Literary World Jeannette Leonard Gilder, Joseph Benson Gilder, 1898 Fight Pictures Dan Streible, 2008-04-11 The first filmed prizefight Veriscope's Corbett Fitzsimmons Fight 1897 became one of cinema's first major attractions ushering in an era in which hugely successful boxing films helped transform a stigmatized sport into legitimate entertainment. Exploring a significant and fascinating period in the development of modern sports and media *Fight Pictures* is the first work to chronicle the mostly forgotten story of how legitimate bouts, fake fights, comic sparring matches and more came to silent era screens and became part of American popular culture.
