Engaging Teachers, Students, and Families in K-6 Writing Instruction Danielle L. DeFauw, 2020-06-03 This text draws on interviews assignments field notes and observations from a flipped writing methodology course conducted with preservice elementary teachers in the US In doing so the text powerfully illustrates the benefits of using flipped methodologies in K 6 instruction to engage students teachers and families in authentic writing practices Engaging Teachers Students and Families in K 6 Writing Instruction demonstrates the use of flipped writing methodologies to engage preservice teachers in literacy instruction increase their confidence as writers and bolster their understanding and application of pedagogical content knowledge In turn this underpins teachers ability to teach writing as an authentic purpose driven audience focused process In particular chapters explore effective teaching strategies including writing clinics writing contests and family literacy sessions which encourage writing development within a community of students teachers families and authors This text will be an engaging and informative guide for educational researchers teacher educators and preservice and inservice teachers looking to develop effective flipped writing pedagogies to support educators students and families Family Values Through Children's Literature and Activities, Grades 4 - 6 Patricia Roberts, 2005-05-26 This resource provides teachers librarians parents and others who work with children ages 9 12 with an annotated bibliography of children s books that contain characters who display positive family oriented values in their relationships with others Sample activities and lessons related to the books in the bibliography will help children in responding to the thoughts and feelings of selected characters as they strive to understand their own thoughts and actions about family oriented values Educators and parents can initiate the activities as presented or use them as a starting point for their own lessons Parents and educators including homeschooling parents and instructors in religious settings will benefit from this helpful resource Leading the Common Core Initiative Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian s role in their implementation this book offers ready to use lesson plans and other tools for grades K 5 and identifies opportunities for collaborative teaching As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards CCSS school librarians need to understand the challenges and have lesson plans ready to help This resource introduces the CCSS in English and mathematics to K 5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers Based upon the authors own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction The book also discusses the opportunities for advocacy that result from the librarian s instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher *Becoming a Literacy Leader*

Jennifer Allen, 2016 The first edition of *Becoming a Literacy Leader* chronicled Jennifer's work as she moved to a new school and a new job as a literacy specialist and found herself tackling everything from teacher study groups to state mandated assessment plans The new edition of her book is a thoughtful reflective evolution of her work as she rethinks how her identity and role as a literacy leader have evolved in the ten years since she wrote the first edition She focuses on three ideas to describe her work the concept of layered leadership shared experiences in making meaning together and the importance of rowing in the same direction as a school community Jennifer firmly believes that teachers know what they need when it comes to professional development and she describes the layers of support that coaches can implement within a school including in class support curriculum support and assessment study group facilitation and the cultivation of teacher leadership She provides an explicit framework for implementing these layers of coaching and explains how administrators can use the literacy leader position to build and sustain change within their schools Literacy leaders and coaches can use this book as a road map for how to approach their work with purpose and intention Online videos that accompany the book bring the text alive by showing readers what coaching looks and sounds like
