Pigwick Blunders Unemployment Commissioner English Edition:

Pigwick Blunders Ramaswamy Thanu,2019-04-11 Pigwick continues his journey of blunders He creates a good impression among the top bosses including the Minister They are very happy with his approach to problems and want to give him heavy responsibility Pigwick expresses willingness to shoulder heavy responsibility This culminates in his appointment as Unemployment Commissioner His mission is to tackle the problem of unemployment in his province He launches a massive industrialization program Then follows a series of episodes which reflect the decisions he makes and the blunders he commits These are explained in this volume **The Illustrated London News** ,1879 **Esquire** ,1968 Pigwick Blunders Mr Ramaswamy Thanu,2016-09-04 The book deals with the unbridled follies of a government executive who had sudden and frequent bouts of idiosyncrasies in discharging his official responsibilities The varied experience of Pigwick in handling the problem of unemployment came to the attention of the Ministers Therefore the government searching for a competent hand appointed him as Labor Commissioner On taking over as Labor Commissioner he continued his frenzy of innovations in the new portfolio Multifaceted personality development a feature with the really brilliant men manifested as versatile incompetence in his case Incompetence attained perfection as an art and a tool with striking results and guarantee though in the wrong direction Every field of activity bore his stamp of incompetence facilitating easy identification of the luminous radiant source Thus anyone could say with certainty and confidence that the author of such an act was Pigwick Risk taking was unknown to him and he never wanted to venture to take up anything considered risky That was left for others to take though on his behalf No power on earth except the hands of death could dismiss him from service for acts of inertia or incompetence Such a job conferred on him several privileges He all along enjoyed the perquisites of office which increased in variety and content as he ascended the hierarchy This trend developed so strongly that he forgot the main task for which he joined the organization Whenever someone complained during idle conversations about inadequacies he consoled him by drawing parallels and precedents He added that he was fortunate and far better Whatever be the exacting demands of the executive job of course with clerical content he set apart hours for enjoying himself at the cost of the organization The resources available were mobilized for lavish distribution to favorites free of cost and in exchange for material benefits The basic operating philosophy was to cash in every unit of power exercised A signature meant something large in return tax free He valued his signature as something which in official parlance meant something like a gold mine and he never wanted to part with it unless it was for a consideration The term something and bribe were synonymous This feature became a philosophy of personal enrichment which he faithfully practised The working of the philosophy with examples is illustrated in this book with an enjoyable dose of humor *Commission of Inquiry on Unemployment Insurance - Report* Canada. Commission d'enquête sur l'assurance-chômage,Canada. Commission of Inquiry on Unemployment Insurance,1985 The Governor's Commission on Unemployment Relief Indiana.
