[The Spiritual Traveller's Guidebook to Nolan Luke, 2019 ETERNITY](#)

The fourth book in the Spiritual Traveller's Guidebook to Eternity series is a simple complexity. The book describes Eternity as the timeless nowness, the unchanging moment, the moment at the start, beginning of Creation. Eternity is many aspects of the Formless Creator, still unseen. The book describes Eternity as the Goal, the Finish Line. Eternity is a state of consciousness, Eternity as the true destination of the Soul. Within eternity is God's abode, hidden right out in the open. This book starts in the continuation of grief suffered in the first year. Just ten months has passed since the Beloved departed. Yet she inspires fresh thinking. What be the composition of the worlds between them? What about meeting with the Beloved? The book reflects personal observations of the everyday, ordinary and the extraordinary. Together, face to face and side by side. Looking at Eternity, eyes closed. What to be done with the approach of the one year anniversary of her death on Earth. ETERNITY, the fourth book describes how beyond the death of the physical body, Consciousness, life eternal goes on. More energetic at higher levels of conscious awareness. More conscious aware at higher vibration frequencies. The book reveals as soul Diane Gail was conscious aware when she left. Why not meet somewhere between? Viewing eternity even from long distance. Timelessness is attained through trance induced by contemplation, meditation, or even by a kiss. True love unconditional produces timelessness. A shortcut, alternative route into nowness. The precise moment that is Eternity.
