Psychology Library Editions: Psycholinguistics

Steven Schwartz, 2013-09-05 Psychology Library Editions Psycholinguistics brings together as one set or individual volumes a series of previously out of print titles originally published between 1970 and 1990 From a variety of academic imprints this set reflects the growth of psycholinguistics as a serious scientific discipline in its own right It provides in one place a wealth of important reference sources from a wide range of authors expert in the field

Psycholinguistic Research (PLE: Psycholinguistics) Doris Aaronson, Robert Rieber, 2013-11-20 Originally published in 1979 this book represents an effort to bring together the two disciplines at the core of psycholinguistics psychology and linguistics It discusses a broad variety of theoretical approaches to psycholinguistics as well as covering a wide range of topics At the time the book had four goals to discuss many of the important contemporary issues in psycholinguistics to explore the different views on major theoretical controversies to provide an analysis of background literature as a framework in which to evaluate the issues and controversies and to describe interesting high quality research currently being done by the authors and some of their colleagues Today it can be read and enjoyed in its historical context with many of the chapters still relevant in psycholinguistic research today

How to Learn a Foreign Language Paul Pimsleur, 2013-10 In this entertaining and groundbreaking book Dr Paul Pimsleur creator of the renowned Pimsleur Method the world leader in audio based language learning shows how anyone can learn to speak a foreign language If learning a language in high school left you bruised with a sense that there was no way you can learn another language How to Learn a Foreign Language will restore your sense of hope In simple straightforward terms Dr Pimsleur will help you learn grammar seamlessly vocabulary and how to practice pronunciation and come out sounding like a native The key is the simplicity and directness of Pimsleur's approach to a daunting subject breaking it down piece by piece demystifying the process along the way Dr Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face Originally published in 1980 How to Learn a Foreign Language is now available on the 50th anniversary of Dr Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning

Want to learn the quickest easiest and most efficient way to learn a language to fluency Don't waste any more time and money with classes textbooks audio courses computer programs and other materials until you have read this Coming from 10 years of experience and having already shown thousands of language learners the right way to learn languages Read on to learn the secrets they don't give you in class Life is good for me I am fluent in several languages and conversational in many more I have friends I speak to on a daily basis who don't speak a word of English My language ability has opened career

doors and made immediate friends out of strangers Better yet I receive enjoyment out of using my languages daily in meeting people watching movies and reading my favorite books How was I able to learn a foreign language so fluently in such a short period of time Let me give you a hint it s not because I m a genius spend 10 hours a day studying or have some gift for learning languages It s because I developed a METHOD that will allow you to IMMEDIATELY Learn new words and phrases quicker than you ever have before and not worry about forgetting them Speak without a single error Natives will be scratching their heads wondering why you speak so much better than the other foreigners Be able to study the language without getting bored ever No more painful language learning Become fluent quicker than anyone you know I m sure you know of people who have studied a language for a couple or more years Now you can be fluent well within that time Surprisingly the best easiest and quickest way to learn a language is not written in those textbooks audio programs computer programs or other materials In fact most of the time they advocate a painful hard way to get to fluency What I ve learned in the past 10 years is it doesn t have to be painful or long This isn t to say those materials are completely useless but if you want to gain from them as quickly and efficiently as possible you need to incorporate them into a larger plan I wrote this book to stop others from making the same mistakes I did when I started to learn languages I wrote it to show the fastest quickest and most efficient way to learn languages so that you don t waste a single minute or dollar I ve read a lot of material about language learning and used a lot of different methods I ve discovered what works and what doesn t Everything I ve written in my book is the tips secrets and method that I ve found to actually work to get me to fluency in the shortest period of time You won t find any ridiculous ideas here like subliminal learning while you sleep Everything here has been tested by me from scratch and is from real world experience I have personally invested 10 years and thousands of dollars on learning the best most efficient way to learn languages Many people spend thousands of dollars or more on audio programs textbooks classes and other language learning materials What if this book saved you from wasting money on even one of those If this book saved you even just one hundred hours of studying what would that be worth to you Probably a lot more than the cost of this book A lot of people start out learning a language and then give up somewhere in the middle never reaching fluency and wasting all the energy time and money they spent getting somewhere in the middle Make sure you are not one of those people and invest today to discover what really works and how you can get to fluency quickly and efficiently The ...
