Pink Grapefruit Marmalade Recipe:

Marmalade Recipes The ultimate guide to making marmalade with amazing recipes and be a marmalade maker ,2024-02-12 Embarking on marmalade making for the first time can be unnerving but it is not difficult it is after all a combination of just three ingredients citrus fruit sugar and water Having said that there are important steps to follow and it can occasionally surprise you and refuse to cooperate Even now I find that sometimes the rolling hissing boil doesn't happen What No rolling boil It skips that bit as a joke Or you would swear it was ready but then it won't set in the jars Relax leave it overnight I had a few years of ill health when much was out of my control and that was when I started to appreciate how soothing it is to make marmalade how very satisfying to produce something good to look at and good to eat which almost everyone is delighted to receive as a present Perhaps there was a subconscious vote of confidence for the future in preserving fruit and storing it for later I didn't know T E Lawrence's Happiness is a by-product of absorption then but there is a sense of peace and contentment that descends when you have an absorbing physical task to do Homemade marmalade is slow not fast food and it takes a bit of concentration but the results are worth the effort You may want to make enough in January to last you for the whole year or you might prefer to make a few jars here and there throughout the year using a handful of frozen oranges or experimenting with other citrus fruit like limes and grapefruit and adding herbs like thyme or rosemary in the summer lavender flowers or ginger in July Cloves and warming spices are delicious in a pre-Christmas batch I personally think that the exciting sharpness of marmalade is at its very best when the marmalade is fresh but however long you keep it before you eat it the most gratifying thing is that every jar you make will be uniquely your own The recipes in this book are my own handed down from my mother and many generous and accomplished cooks as well as borrowed favourites from friends They've been tried and tested over the years and tinkered with along the way to suit more modern tastes Methods vary slightly from one recipe to another but isn't that the beauty of home cooking I hope you enjoy making marmalade whatever the season and that you find your favourite among the many in this special collection [The Blue Chair Jam Cookbook](#) Rachel Saunders,2022-05-24 A comprehensive year-round guide to jellies jams conserves preserves and marmalades featuring over 100 recipes If you love to cook are crazy for fruit or have even a passing interest in jam or marmalade Rachel Saunders's James Beard Award-nominated Blue Chair Jam Cookbook is the book for you Rachel's legendary Bay Area jam company Blue Chair Fruit earned instant fame for its intensely flavored preserves when it launched in 2008 Rachel's passion for fruit shines through every part of this lavishly illustrated book which is the culmination of nearly ten years of research The Blue Chair Jam Cookbook is the essential jam and marmalade book of the twenty-first century one in which Rachel's modern yet nostalgic vision of cooking takes center stage Rachel offers an in-depth exploration of individual fruits a comprehensive technical section and nearly 120 original recipes organized around the seasons In offerings ranging from Plum Jam to Strawberry Blood Orange Marmalade with Rosemary and Black Fig and Candied Citrus Jam she
