through our lives for the first and maybe the last time Others may be in our lives for just a short time Those who are in our inner circle of friends and family will be with us for the majority of our lives Whoever these people are God has placed them in our lives for a purpose We have the privilege if we choose to accept this mission of sharing the love grace and mercy of God with them When we look at those around us in the way in which God sees them we are compelled to reach out to them Knowing that each day we live on this earth is ordained by God should give us the motivation to use every opportunity to serve the Lord and bring glory to Him It should give us a reason to invest in the lives of others as we learn of their special needs which God has gifted us to meet In so doing we can be part of the exciting ministry of developing God's Oaks of Righteousness God's Oaks of Righteousness was written to challenge and motivate Christians to recognize opportunities to minister in our world Everyone has a place in which they have been gifted to serve whether as a large group leader with a vivacious personality as a quiet caring person working one on one praying for God's intervention in the lives of others as one willingly giving time and energy to supply for the needs they recognize or somewhere in between God's Oaks of Righteousness was written to reinforce the concept that we are working together as one united body of Christ We each have our own area of ministry and spiritual gifts to use for Him As a team we rejoice together and give God the glory for the spiritual maturity developed in others We rejoice in their strength to stand firm and live a life honoring God because of their personal relationship with Christ and the Holy Spirit working in and through them For Salvation's Sake Jason Moralee, 2004-03-01 This book breaks new ground in the study of cultural unity in the Near East from pre Roman to early Islamic times first century BC eighth century AD Based on a thorough study of nearly 400 Greek and Latin inscriptions from Syria Lebanon Jordan and Israel this book shows how the formula for salvation's sake *hyper soterias pro salute* was fundamental to the political social and religious lives of hundreds of civic and military elites in the Near East Initially an expression of ancient indigenous religion this formula expressed loyalty to the central authority at Rome while profiling social status and piety With the arrival of Christianity and Islam the formula lost its political importance but persisted in its social and religious applications among Christian and Jewish communities in Late Antiquity Presenting a new body of evidence Jason Moralee provides a fresh look at how Romans used the inscriptions to secure the loyalty of their subjects for centuries This analysis of material culture through several periods redefines notions of political loyalty in the Middle East from antiquity through the Middle Ages raising new questions about life in the Roman provinces **The Religion of Love** Pafe Thomas Pafe, 2009-12 The Religion of Love is written for those who are seriously searching for wisdom and the path that leads to the Divine The journey is long and tedious but those who honestly search will find it To each soul God may appear different but it is the appearance that is unique not the reality God reveals himself or herself to us depending upon how eager and committed our search is Our love and the understanding of God will ultimately change our perception of the truth This book will guide you on your walk with God and illustrate how to find God It will also show you what God desires

the purpose of life a practical approach to prayers how to find your path in life the secrets of the kingdom of God as mentioned in the Bible how to become a light worker The goal of this book is to provide missing information that can awaken or revolutionize consciousness by providing information on religion that has often been limited to morality or sociality and sometimes theology And finally create an environment where religious vibes can flourish **Memoir of the Rev. Alexandre Waugh, with Selections from His Epistolary Correspondence** James Hay,1839 *Memoir of the Rev. Alexander Waugh, D.D.* James Hay, Henry Belfrage,1851 **A Memoir of the Rev. Alexander Waugh... and Henri Belfrage** James HAY,1839 *A Memoir of the Reverend Alexander Waugh* James Hay, Henry Belfrage,1831 *Roman Siege Warfare* Josh Levithan,2013-12-04 Key reading for the discerning history buff or academic specialist [The Jewish Revolt against Rome](#) Mladen Popović,2011-11-11 The Jewish revolt against Rome in the first century C E provides ancient historians the opportunity to study one of the best documented provincial revolts in the early Roman Empire This volume brings together different disciplines some for the first time The contributors draw from a wide range of literary archaeological documentary epigraphic and numismatic sources The focus is on historiographical and methodological reflections on our sources their nature and the sort of historical questions they allow us to answer This volume combines fields of research that should not be pursued in isolation from each other if we wish to further our understanding of the Jewish revolt s historical context [Memoir of the Rev.
