## The Turtle and the Rabbit

There once was a turtle and a rabbit that lived in the forest. The rabbit knew she was faster than the turtle. She asked the turtle to race her. The turtle said no at first, because he knew he was much slower than the rabbit. But Turtle wanted to be brave, so he said yes. The rabbit laughed because she knew she would win. The day of the race, the turtle and the rabbit came to the starting line. Once they started, Turtle walked and Rabbit ran as fast as she could. Rabbit was so far ahead after ten minutes that she sat down for a nap. Turtle knew he didn't have time to nap, even though he was tired.

He kept on walking. When Rabbit woke up from her nap, she saw that Turtle was at the finish line.

Slow and steady wins the race!

## The Sloth and the Toucan

Toucan knew that sloths were very slow and Toucan loved to win games. So, Toucan asked Sloth if he wanted to race. Sloth knew this was a crazy idea because he didn't like moving. Toucan said, "Let me make it easy for you. The first animal who can make it to the forest floor wins!" Sloth looked down and saw how far up in the tree he was, but he wanted to try. Sloth said yes. They started their race. Toucan wanted to show off to all their friends, so she flew high up in the air and did a few flips. Sloth slowly made his way down the tree, looking for branches and twigs to hold on to. Up in the sky, Toucan stopped flipping and looked for sloth. Uh oh. He was lost. He must have flown too far. When he finally found his way home, he noticed that Sloth already won.
