Story Starter:

There was the first time to leave the school library. The first around the corner, through an old, redwood book that he found tucked behind a row of dusty encyclopedias. The room had no air, but the pages were filled with quiet breathing, almost like a story.

As he turned to the first entry, the words seemed to glow faintly under the dim light.

"The afternoon would find... I hope you are ready?"

The light flickered. A sudden gust of wind rustled the pages.

Lines of text moved.

The library doors were closed.

And he was no longer there?

Choose Your Middle Twist

1 The first time that he took away from the book, the library suddenly changed. The wooden shelves were replaced by colorful stars and spiral notes. The story is still in his hands, but now the words had changed—the words he wrote on it. And he didn't know the library before he was there.

2 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new layers to the story. Can you make it sound better than ever happened?
