Pause and Reset Nancy M. Petry, 2019-01-07 Over 90% of children and adolescents play electronic or computerized games and 25% play for three hours a day or even longer Although some degree of video game playing is normal excessive playing can negatively impact schoolwork kids social lives and even their health *Pause and Reset* is aimed at parents concerned about the role of gaming in their children's lives In this informative reader friendly book addiction expert Dr Nancy Petry sheds light on what constitutes problematic video gaming and what does not how to determine whether a child adolescent or young adult may be addicted to gaming or developing problems with it and when to seek professional help Setting this book apart from others on the subject the author also provides accessible explanations of the latest science behind how gaming addiction impacts children adolescents and families she also explores the question of whether gaming may have positive effects in certain situations Finally Dr Petry offers three simple easy to implement steps parents can take to reduce and reverse the harmful effects of gaming *Record Replace and Reward* *Pause and Reset* also provides exercises and worksheets to support parents efforts to help their kids *Communication and Human Rights* Cees J.

Hamelink, 2023-06-08 Human rights and communication are deeply connected human rights need communication to expose violations and to offer platforms for dialogue while communication needs human rights to provide standards for free speech and confidentiality Together they confront the reality of today's social and international order in which justice and understanding often seem unattainable In this book Cees J Hamelink guides the reader through the historical evolution of communication and human rights In this original framework he discusses topics such as the right to communicate and freedom of expression as well as major challenges posed by the environmental crisis and digital technologies With authority he passionately argues that communicative justice is the ultimate goal of applying the international human rights regime to different forms of communication This goal can only be achieved if we manage to move from the prevailing thin liberal conception of human rights to a thick cosmopolitan conception of them Written by one of the world's leading scholars in this area this wide ranging book will be of interest to students of media and communication human rights scholars as well as practitioners activists and anyone interested in applying the notion of justice to the basis of human existence communication

Chains of Finance Diane-Laure Arjaliès, Philip Grant, Iain Hardie, Donald A. MacKenzie, Ekaterina Svetlova, 2017 This book suggests that investment decisions cannot be understood by focusing on isolated investors Rather most of their money flows through a chain a sequence of intermediaries that sit between savers and companies governments It argues that investment management is shaped by the opportunities and constraints that this chain creates **The Least Among Us** Rosa L. DeLauro, 2019-07-19 The outspoken Connecticut congresswoman provides a powerful case for protecting and expanding America's safety net Elizabeth Warren Cynical politicians like Mitch McConnell and Donald Trump argue that the people of the United States would be better off without food stamps Obamacare and workplace protections Congresswoman Rosa L

DeLauro knows these folks are just plain wrong Growing up in New Haven Connecticut DeLauro saw firsthand how vulnerable hard working people are in the face of corporate indifference and government neglect From fatal industrial fires to devastating childhood poverty DeLauro witnessed it all and emerged convinced that social programs are worth going to the mat for again and again Worker protections Social Security unemployment insurance Medicare Medicaid food stamps and housing assistance lift up all Americans they fulfill this country s promise of opportunity for everyone and are essential for our country s health For twenty five years DeLauro has been fighting for everyday Americans earning a reputation as the most impassioned defender of our social safety net The Least Among Us tells the story of a quarter century of deal making on behalf of people too often overlooked told by a woman as fearless as she is opinionated Part House of Cards part progressive manifesto The Least Among Us shares lessons about power how it s gained and how to wield it for everyone s benefit Can you imagine how cool the world would be if we had Rosa DeLauro getting s done instead of Congress being held hostage by terrible people Wonkette An impassioned urgent defense of democratic values and the role of government to serve and benefit all citizens Kirkus Reviews *The Cambridge Handbook of Social Problems*: A. Javier Treviño,2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research
