 Richard Harding Davis, 2019-07-30 A war correspondent's breathtaking account of early twentieth century wars including the Greek Turkish War 1897 and the Spanish American War 1898 These events have fallen into relative obscurity following the two World Wars yet remain important forces shaping modern politics *Notes of a War Correspondent* Richard Harding Davis, 2022-12-08 Reproduction of the original Notes of a War Correspondent Richard Harding Davis, 2015-02-24 So even when the men were formed into three sides of a hollow square they were scarcely able to distinguish one another in the uncertain light of the morning There were about three hundred soldiers in the formation They belonged to the volunteers and they deployed upon the plain with their band in front playing a jaunty quickstep while their officers galloped from one side to the other through the grass seeking a suitable place for the execution Outside the line the band still played merrily A few men and boys who had been dragged out of their beds by the music moved about the ridges behind the soldiers half clothed unshaven sleepy eyed yawning stretching themselves nervously and shivering in the cool damp air of the morning **Notes of a War Correspondent** Richard Harding Davis, 2021-11-21 Notes of a War Correspondent by Richard Harding Davis Notes of a War Correspondent Richard Harding Davis, 2020-02-03 I am going to try to describe some kits and outfits I have seen used in different parts of the world by travellers and explorers and in different campaigns by army officers and war correspondents Among the articles the reader may learn of some new thing which when next he goes hunting fishing or exploring he can adapt to his own uses That is my hope but I am sceptical I have seldom met the man who would allow any one else to select his kit or who would admit that any other kit was better than the one he himself had packed It is a very delicate question The same article that one declares is the most essential to his comfort is the very first thing that another will throw into the trail **NOTES of a WAR CORRESPONDENT (Annotated)** Richard HARDING DAVIS, 2021-09-24 Adolfo Rodriguez was the only son of a Cuban farmer who lived nine miles outside of Santa Clara beyond the hills that surround that city to the north When the revolution in Cuba broke out young Rodriguez joined the insurgents leaving his father and mother and two sisters at the farm He was taken in December of 1896 by a force of the Guardia Civile the corps d'elite of the Spanish army and defended himself when they tried to capture him wounding three of them with his machete Notes of a War Correspondent - Scholar's Choice Edition Richard Harding Davis, Charles Scribner's Sons, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may
