received scant critical and scholarly attention to offer an important new interpretation grounded in indigenous contexts and perspectives Author Drew Lopenzina reexamines a literature that has been compulsively corrected and overinscribed with the norms and expectations of the dominant culture while simultaneously invoking the often violent tensions of contact and the processes of unwitnessing by which Native histories and accomplishments were effectively erased from the colonial record In a compelling narrative arc Lopenzina enables the reader to travel through a history that however familiar has never been fully appreciated or understood from a Native centered perspective Leslie Marmon Silko David L. Moore, 2016-09-22 A major American writer at the turn of this millennium Leslie Marmon Silko has also been one of the most powerful voices in the flowering of Native American literature since the publication of her 1977 novel Ceremony This guide with chapters written by leading scholars of Native American literature explores Silko s major novels Ceremony Almanac of the Dead and Gardens in the Dunes as an entryway into the full body of her work that includes poetry essays short fiction film photography and other visual art These chapters map Silko s place in the broad context of American literary history Further they trace her pivotal role in prompting other Indigenous writers to enter the conversations she helped to launch Along the way the book engages her historical themes of land ethnicity race gender trauma and healing while examining her narrative craft and her mythic lyricism The Myths That Made America Heike Paul, 2014-08-15 This essential introduction to American studies examines the core foundational myths upon which the nation is based and which still determine discussions of US American identities today These myths include the myth of discovery the Pocahontas myth the myth of the Promised Land the myth of the Founding Fathers the melting pot myth the myth of the West and the myth of the self made man The chapters provide extended analyses of each of these myths using examples from popular culture literature memorial culture school books and every day life Including visual material as well as study questions this book will be of interest to any student of American studies and will foster an understanding of the United States of America as an imagined community by analyzing the foundational role of myths in the process of nation building Toward a Native American Critical Theory Elvira Pulitano, 2003-01-01 Unlike Western interpretations of Native American literatures and cultures in which external critical methodologies are imposed on Native texts ultimately silencing the primary voices of the texts themselves Pulitano s work examines critical material generated from within the Native contexts to propose a different approach to Native literature Pulitano argues that the distinctiveness of Native American critical theory can be found in its aggressive blending and reimagining of oral tradition and Native epistemologies on the written page a powerful complex mediation that can stand on its own yet effectively subsume and transform non Native critical theoretical strategies BOOK JACKET Faulkner and the Native South Jay Watson, Annette Trefzer, James G. Thomas Jr., 2019-02-05 Contributions by Eric Gary Anderson Melanie R Anderson Jodi A Byrd Gina Caison Robbie Ethridge Patricia Galloway LeAnne Howe John Wharton Lowe Katherine M B Osburn Melanie Benson Taylor Annette Trefzer and Jay Watson From new insights into the Chickasaw sources and far

reaching implications of Faulkner's fictional place name Yoknapatawpha to discussions that reveal the potential for indigenous land family and story based methodologies to deepen understanding of Faulkner's fiction including but not limited to the novels and stories he devoted explicitly to Native American topics the eleven essays of this volume advance the critical analysis of Faulkner's Native South and the Native South's Faulkner Critics push beyond assessments of the historical accuracy of his Native representations and the colonial hybridity of his Indian characters Essayists turn instead to indigenous intellectual culture for new models problems and questions to bring to Faulkner studies Along the way readers are treated to illuminating comparisons between Faulkner's writings and the work of a number of Native American authors filmmakers tribal leaders and historical figures Faulkner and the Native South brings together Native and non Native scholars in a stimulating and often surprising critical dialogue about the indigenous wellsprings of Faulkner's creative energies and about Faulkner's own complicated presence in Native American literary history The Routledge Global Haiku Reader James Shea, Grant Caldwell, 2023-06-30 The Routledge Global Haiku Reader provides a historical overview and comprehensive examination of haiku across the world in numerous languages poetic movements and cultural contexts Offering an extensive critical perspective this volume provides leading essays by poets and scholars who explore haiku s various global developments demonstrating the form s complex and sometimes contradictory manifestations from the twentieth century to the present The sixteen chapters are carefully organized into categories that reflect the salient areas of practice and study Haiku in Transit Haiku and Social Consciousness Haiku and Experimentation and The Future of Global Haiku An insightful introduction surveys haiku s influence beyond Japan and frames the collection historically and culturally questioning commonly held assumptions about haiku and laying the groundwork for new ways of seeing the form Haiku s elusiveness its resistance to definition is partly what keeps it so relevant today and this book traces the many ways in which this global verse form has evolved The Routledge Global Haiku Reader ushers haiku into the twenty first century in a critically minded and historically informed manner for a new generation of readers and writers and will appeal to students and researchers in Asian studies literary studies comparative literature creative writing and cultural studies **Diane di Prima** David Stephen Calonne, 2019-01-24 Diane di Prima Visionary Poetics and the Hidden Religions reveals how central di Prima was in the discovery articulation and dissemination of the major themes of the Beat and hippie countercultures from the fifties to the present Di Prima 1934 was at the center of literary artistic and musical culture in New York City She also was at the energetic fulcrum of the Beat movement and with Leroi Jones Amiri Baraka edited The Floating Bear 1961 69 a central publication of the period to which William S Burroughs Jack Kerouac Allen Ginsberg Charles Olson and Frank O Hara contributed Di Prima was also a pioneer in her challenges to conventional assumptions regarding love sexuality marriage and the role of women David Stephen Calonne charts the life work of di Prima through close readings of her poetry prose and autobiographical writings exploring her thorough immersion in world spiritual traditions and how these studies informed

both the form and content of her oeuvre Di Prima s engagement in what she would call the hidden religions can be divided into several phases her years at Swarthmore College and in New York her move to San Francisco and immersion in Zen her researches into the I Ching Paracelsus John Dee Heinrich Cornelius Agrippa alchemy Tarot and Kabbalah of the mid sixties and her later interest in Tibetan Buddhism Diane di Prima Visionary Poetics and the Hidden Religions is the first monograph devoted to a writer of genius whose prolific work is notable for its stylistic variety wit and humor struggle for social justice and philosophical depth Crossing Oceans Noella Brada-Williams, Karen Chow, 2004-01-01 With the increasing globalization of culture American literature has become a significant body of text for classrooms outside of the United States Bringing together essays from a wide range of scholars in a number of countries including China Japan Korea Singapore and the United States Crossing Oceans focuses on strategies for critically reading and teaching American literature especially ethnic American literature within the Asia Pacific region This book will be an important tool for scholars and teachers from around the globe who desire fresh perspectives on American literature from a variety of national contexts The contributors use perspectives dealing with race feminism cultural geography and structures of power as lenses through which to interpret texts and engage students critical thinking The collection is crossing oceans through the transnational perspectives of the contributors who come from and or teach at colleges and universities in both Asia and the United States Many of the essays reveal how narratives of and about ethnic Americans can be used to redefine and reconfigure not only American literary studies but also constructions of Asian and American identities
