King of the Jews Margaret Barker, 2014-04-17 The book starts with background chapters on the Jews Moses the King in the Old Testament and moves on to the King in the New Testament apart from John and then reaches its main focus on the Gospel of John Only John's Gospel says that Jesus was crucified as Jesus the Nazorean

the King of the Jews Jesus was the keeper of the ways of the first temple in Jerusalem These had almost been lost when the Moses traditions came to dominate in the second temple period Jesus mission was to restore the ways of the original temple He entrusted his visions to John the Elder a priestly disciple in Jerusalem and John compiled them into the Book of Revelation Later John wrote his Gospel to show how the visions had been fulfilled The background to the Fourth Gospel is temple tradition John shows how Jesus debates with the Jews centred on the great difference between the world of the second temple and the world of the priest kings of the first temple from which Christianity emerged The Johannine community were the Hebrew disciples of Jesus who saw themselves as the true high priesthood restored Those at Qumran who worshipped as with the angels in heaven cannot have been very different from those who wrote and read John's gospel and the Book of Revelation The latter were the Hebrew Christian community who saw themselves as the heavenly throng Their Lamb on the throne opened a sealed book secret teaching and they were originally people chosen from all the twelve tribes of Israel to receive the Name of the Lord on their foreheads Rev 7 3 4 This vision was set in the early days of the first temple before the kingdom divided and it had become the hope for the future Taken from the Introduction

Atonement Max Botner, Justin Harrison Duff, Simon Dürr, 2020-09-10 A historical survey of atonement theology through ancient Jewish and Christian sources What is the historical basis for today's atonement theology Where did it come from and how has it evolved throughout time In Atonement a sterling collection of renowned biblical scholars investigates the early manifestations of this core concept in ancient Jewish and Christian sources Rather than imposing a particular view of atonement upon these texts these specialists let the texts speak for themselves so that the reader can truly understand atonement as it was variously conceived in the Hebrew Bible the Dead Sea Scrolls the Pseudepigrapha the New Testament and early Christian literature The resulting diverse ideas mirror the manifold perspectives on atonement today Contributors to this volume Christian A Eberhart Crispin Fletcher Louis Martha Himmelfarb T J Lang Carol A Newsom Deborah W Rooke Catrin H Williams David P Wright and N T Wright attend to the linguistic elements at work in these ancient writings without limiting their scope to explicit mentions of atonement

Instead they explore atonement as a broader phenomenon that negotiates a constellation of features sin sacrifice and salvation to capture a more accurate and holistic picture Atonement will serve as an indispensable resource for all future dialogue on these topics within Jewish and Christian circles **Jesus and the Kingdom of God** George Raymond Beasley-Murray,1986 *Evil and Death* Beate Ego,Ulrike Mittmann,2015-09-25 Jewish anthropological beliefs during the Hellenistic Roman period are an important but previously neglected area of biblical exegesis and Jewish studies In an effort to address this deficiency this volume brings together 20 essays related to the subject of sin and death with special emphasis on integrating material from neighboring cultures Thus the volume provides an exemplary foundation for further research on ancient Jewish anthropology The Understanding Scribe David Orton,2004-12-30 Matthew s sharpening of Jesus attacks on the scribes and Pharisees is an embarrassment to many Christian interpreters and an outrage to some Jewish ones It is commonly alleged that Matthew in fact has no particular knowledge of distinctions between the Jewish leadership groups In a fresh examination of Matthew s treatment of the scribes the author argues that the first Evangelist is actually at pains to protect the esteem in which the office of the Jewish scribe itself was traditionally held reserving Jesus direct criticism for the unenlightened Pharisees **Between Temple and Torah** Martha Himmelfarb,2013 This volume contains articles by Martha Himmelfarb on topics in Second Temple Judaism and the development and reception of Second Temple traditions in late antiquity and the Middle Ages The section on Priests Temples and Torah addresses the themes of its title in texts from the Bible to the Mishnah Purity in the Dead Sea Scrolls contains articles analyzing the intensification of the biblical purity laws particularly the laws for genital discharge in the major legal documents from the Scrolls In Judaism and Hellenism the author explores the relationship between these two ancient cultures by examining the ancient and modern historiography of the Maccabean Revolt and the role of the Torah in ancient Jewish adaptations of Greek culture The last two sections of the volume follow texts and traditions of the Second Temple period into late antiquity and the Middle Ages The articles in Heavenly Ascent consider the relationship between the ascent apocalypses of the Second Temple period and later works involving heavenly ascent particularly the hekhalot texts In the final section The Pseudepigrapha and Medieval Jewish Literature Himmelfarb investigates evidence for knowledge of works of the Second Temple period by medieval Jews with consideration of the channels by which the works might have reached these later readers Anecdotes of Painting in England Horace Walpole,1876
