MEN CAN WEAR DRESSES TOO Catie Maye, 2014 An account of the author's life as Catie Maye a heterosexual male to female cross dresser Includes discussion of the results from cross dressing surveys Media and Cultural Theory Stephen Hill, Bevis Fenner, 2010 **Mario Bava** Leon Hunt, 2022-02-24 How do we approach a figure like Mario Bava a once obscure figure promoted to cult status This book takes a new look at Italy's maestro of horror but also uses his films to address a broader set of concerns What issues do his films raise for film authorship given that several of them were released in different versions and his contributions to others were not always credited How might he be understood in relation to genre one of which he is sometimes credited with having pioneered This volume addresses these questions through a thorough analysis of Bava's shifting reputation as a stylist and genre pioneer and also discusses the formal and narrative properties of a filmography marked by an emphasis on spectacle and atmosphere over narrative coherence and the ways in which his lauded cinematic style intersects with different production contexts Featuring new analysis of cult classics like *Kill Baby Kill* 1966 and *Five Dolls for an August Moon* 1970 **Mario Bava The Artisan as Italian Horror Auteur** sheds light on a body of films that were designed to be ephemeral but continue to fascinate us today **The British: Portrait of a People** Anthony Glyn, 1970 *Disidentifications* José Esteban Muñoz, 2013-11-30 There is more to identity than identifying with one's culture or standing solidly against it José Esteban Muñoz looks at how those outside the racial and sexual mainstream negotiate majority culture not by aligning themselves with or against exclusionary works but rather by transforming these works for their own cultural purposes Muñoz calls this process disidentification and through a study of its workings he develops a new perspective on minority performance survival and activism *Disidentifications* is also something of a performance in its own right an attempt to fashion a queer world by working on with and against dominant ideology By examining the process of identification in the work of filmmakers performance artists ethnographers Cuban choteo forms of gay male mass culture such as pornography museums art photography camp and drag and television Muñoz persistently points to the intersecting and short circuiting of identities and desires that result from misalignments with the cultural and ideological mainstream in contemporary urban America Muñoz calls attention to the world making properties found in performances by queers of color in Carmelita Tropicana's Camp Choteo style politics Marga Gomez's performances of queer childhood Vaginal Creme Davis's Terrorist Drag Isaac Julien's critical melancholia Jean Michel Basquiat's disidentification with Andy Warhol and pop art Felix Gonzalez Torres's performances of disidentity and the political performance of Pedro Zamora a person with AIDS within the otherwise artificial environment of the MTV serial *The Real World* **How to Have an Almost Perfect Marriage** Stephen Fry, 2014-02-13 Do you Edna Constance Bathsheba take Stephen John Elvis to be your lawfully wedded husband I did After many many years of marriage and many many children I've decided it's only fair to share my unparalleled expertise and deepest secrets with you in my new book *How To Have an Almost Perfect Marriage* Of course the him to whom I refer is my
