Pieces Of Molly An Ordinary Life The Karnac Library:

Love the Wild Swan Judith Edwards, 2016-10-04 *Love the Wild Swan* is the culmination of thirty years of clinical and teaching experience undertaken by child and adolescent psychoanalytic psychotherapist Judith Edwards. Along with new material, the book consists of previously published papers spanning Edwards's entire career which have been carefully selected to chart the journey that every clinician and human being makes from babyhood to adult life. Edwards offers an example of how the evolution of meanings occurs and how lifelong learning about the self and the other takes place. The book is divided into four parts with sections on observation, clinical work, teaching, theory, and links between these ideas and ongoing life in the form of the arts through poetry, film, and sculpture. *Love the Wild Swan* will be of interest to practitioners and clinicians as well as appealing to anyone in the field of mental health who wishes to reflect on the nature of human development and growth.

Pieces of Molly Judith Gurney, Judith Edwards, 2014-12-02 *Pieces of Molly* is a memoir with a difference. Told in the first and third person, it gives a perspective on the self not often found in autobiographies. Molly can be seen as every child: the author and the reader too. Judith Gurney's unusual approach to her memoir offers a multi-faceted piecing together of a life in which she acknowledges the unreliability of memory and examines how we often recreate ourselves to fit in with others' hopes and desires as well as our own.
