

Piecewise Graphing Project

For this project you will create a piecewise graph of a logo or picture of your choice. I have included some examples to help jumpstart your thinking. Visit [desmos.com](https://www.desmos.com) for more!

Although your graph needs to meet certain criteria, I want you to have fun with this project!! We will be spending a day in the computer lab for you to finalize your masterpiece. **It is imperative that your preliminary work be done by April 30.**

Included are two blank pages of graph paper for you to begin sketching ideas and brainstorming. The sky is the limit!
*Word to the wise: keep track of the equations you create as you go.
