He wants nothing more than to protect her but soon realizes that he may be the person who will hurt her the most. To be together they'll have to fight demons from their pasts that threaten to destroy them. **MENDED** Lucian finally shares his past heartache and guilt with Lia. Free of the shadows that have haunted them, they are ready to move forward together. Until the woman who destroyed Lucian's life eight years ago is suddenly free. Lucian is in a frantic race against time to convince those around him that Cassie is the ultimate threat to all that he holds dear. He'll stop at nothing to protect the woman he loves even if he has to wage a war against his best friend to do it. This book is meant for mature readers who are 18. It contains explicit language and graphic sexual content.

Marco Sydney Landon, 2019. My name is Marco Moretti and I'm the son of the Moretti Crime Family boss. He's also my father and a bit of an asshole but we all have problems, don't we? I've always loved women of all shapes and sizes and they've loved me in return. Sometimes a bit too much but a stalker or two keeps things interesting. My position within the family has been the most important thing to me until fate and food poisoning brought Nina Gavino into my life. I've finally found the woman that I can't live without and she wants nothing to do with me. My usual charm has gotten me nowhere. And if she ever finds out that I killed her stepfather and stepbrother, I'm afraid nothing short of a miracle will make the beautiful spitfire give me a chance to prove that there is more to me than the job she holds so much contempt for.

Nicoli Sydney Landon, What do you do when those closest to you are not who they appear to be? For a man as loyal as Nicoli Moretti, it's the ultimate betrayal. As the top lieutenant and best friend to the head of the Moretti family, he thought he knew everything about the man he considered a brother but he was so very wrong. Still reeling from that blow, he discovers that not only did the woman he loves know before him but she also has secrets of her own ones that could well get her killed. His thirst for revenge is almost overwhelming yet so is his love for Minka Gavino. A relationship with someone from another mafia family would be complicated on a good day but is it even worth fighting for now? Once the trust is gone, can it ever be rebuilt? Or will he walk away from the only life he's ever known and the only woman he's ever loved.
