

Draw the Pig Personality Test (ICEBREAKER)

Time

15-20 minutes

Description

This fun icebreaker can be an energizing way to engage participants. It's a "personality assessment," but it's just for fun; there is no scientific value to the results.

Materials

- Paper for each participant
- Pens, pencils and colored markers for each participant
- Printout of the "Pig Analysis" sheet (at the end of this lesson)

Preparation

None

Procedure

Use the following script (or modify to suit your needs):

- "Let's start out our time together by getting to know each other."
- "We'll do it in a funny way."
- "On the sheet of paper that each of you has, I would like you to each draw a pig."
- "Make it as detailed as you like." (**Allow 5 minutes for drawing the pig.**)
- "Now that you've drawn your pig, I'm going to help you do some analysis to see what your drawing tells us about you." (**Read each of the descriptions on the "Pig Analysis" sheet. Keep it light and fun.**)
- "Take a few minutes, and share your Pig Analysis with your table."
- "Tell them if you think it is accurate or not."
- "So, what do you think? Does your Pig Analysis match your personality?"
- "Okay, this was not a scientific instrument, so any truth it contained was probably accidental....or was it?" (**You might want to have participants put their names on their pictures and post them around the room.**)
