

The background of the cover features a detailed technical illustration. On the right side, a large pile bucking machine is shown in profile, with its lattice boom and various mechanical components. To the left of the machine, a series of sheet piles are arranged in a curved line, showing their interlocking design. Below this, a more complex arrangement of sheet piles is depicted, including some that are bent at angles, demonstrating the flexibility of the system. The entire scene is set against a light tan background.
