Pineapple Grenade A Novel:

Pineapple Grenade Tim Dorsey, 2012-01-24 The undisputed king of the comic crime novel Providence Journal I guarantee Dorsey will never win the Nobel Prize for Literature he s far too funny Richmond Times Dispatch If you ve never read Dorsey you need to start You won t be disappointed Miami Herald Gloriously unrepentant Florida serial killer Serge Storms is back and he s finagled his way into becoming a secret agent in Miami in another outrageous crime comedy from New York Times bestselling author Tim Dorsey In Pineapple Grenade the incomparable Serge takes up spying for the president of a banana republic and now Homeland Security wants to bring him down It s always a wild ride when Dorsey s at the wheel and with Pineapple Grenade he delivers his most explosively hilarious road trip to date *Monk's War: An 18 Year Old Marine's Story from the Rice Paddies* Frank M. Beyea, 2014-02 In the last few years Vietnam Veterans including myself have experienced a phenomenon that is hard to explain People are interested in the Vietnam War I think the audience for Vietnam War stories is a diverse one From young people with a thirst for knowledge about what their fathers and grandfathers went through in the only war that America has lost so far history hasn t made its final judgment on Iraq and Afghanistan to the baby boomers who fought in Vietnam Even those boomers who demonstrated actively against the war and resisted being part of it are suddenly interested This book provides those interested with what they crave more true stories of what it was like to live the life of a Marine ground pounder in Vietnam It s like a good adventure novel when your own theater of the mind puts you in the shoes of the main character *Chronicles of Fictitious Fiction* Shelby Witchen, 2023-01-30 *Chronicles of Fictitious Fiction* An Angel May Role Play By Shelby Witchen About the Book An accumulation of dreams *Chronicles of Fictitious Fiction* is a mind bending venture through reality and fiction dreams and waking good versus evils Angels and Demons Known was once a man who felt like his life was heading nowhere until a life altering voice began speaking with him leading him to his true destiny His journey is not for the faint of heart his mediocre life is replaced with wealth power sex and absurd violence to please alien lifeforms looking to feel true terror and fear on Earth Will Known discover this world to be all a dream Or is the reality stranger than even where his wildest imaginations could take him *A Florida State of Mind* James D. Wright, 2019-04-30 A witty history of the state that s always in the news for everything from alligator attacks to zany crimes There s an old clip of Bugs Bunny sawing the entire state of Florida off the continent and every single time a news story springs up about some shenanigans in Florida someone on the internet posts it in response Why are we so ready to wave goodbye to the Sunshine State In *A Florida State of Mind* An Unnatural History of Our Weirdest State James D Wright makes the case that there are plenty of reasons to be scandalized by the land and its sometimes kooky sometimes terrifying denizens but there s also plenty of room for hilarity Florida didn t just become weird it s built that way Uncharted swampland doesn t easily give way to sprawling suburbia It took violent colonization land scams to trick non Floridians into buying undeveloped property and the development of railroads to benefit one man s hotel empire Even the most natural parts of

The Old Breed... The Complete Story Revealed W. Henry Sledge, 2025-06-03 Forty years after the publication of Eugene Sledge's memoir *With the Old Breed at Peleliu and Okinawa* comes *The Old Breed The Complete Story Revealed* by Eugene's son Henry adding new material and immeasurable depth to his father's story *The Old Breed The Complete Story Revealed* brings to life an abundance of new material from the original manuscript of Eugene Sledge's classic memoir *With the Old Breed at Peleliu and Okinawa* By interspersing his own personal anecdotes throughout Henry Sledge takes his father's work and gives it newfound context sharing memories of conversations between father and son The result is a flowing narrative that portrays an intimate look at a WWII veteran and his struggles to adapt to civilian life following the war

Battle Story: Verdun 1916 Chris McNab, 2013-03-01 The Battle of Verdun was one of the bloodiest engagements of the First World War resulting in 698 000 deaths 70 000 for each of the 10 months of battle The French Army in the area were decimated and it is often most tragically remembered as the battle in which the French were bled white A potent symbol of French resistance the fortress town of Verdun was one that the French Army was loath to relinquish easily It was partly for this reason that the German commander chose to launch a major offensive here where he could dent French national pride and military morale His attack commenced on 21 February using shock troops and flamethrowers to clear the French trenches Starting with the capture of Fort Douaumont by June 1916 the Germans were pressing on the city itself exhausting their reserves The French continued to fight valiantly despite heavy losses and eventually rolled back German forces from the city In the end it was a battle that saw much loss of life for little gain on either side

Music in the Words: Musical Form and Counterpoint in the Twentieth-Century Novel Alan Shockley, 2017-07-05 There is a strong tradition of literary analyses of the musical artwork Simply put all musicology any writing about music is an attempt at making analogies between what happens within the world of sound and language itself This study considers this analogy from the opposite perspective authors attempting to structure words using musical forms and techniques It's a viewpoint much more rarely explored and none of the extant studies of novelists musical techniques have been done by musicians Can a novel follow the form of a symphony and still succeed as a novel Can musical counterpoint be mimicked by words on a page Alan Shockley begins looking for answers by examining music's appeal for novelists and then explores two brief works a prose fugue by Douglas Hofstadter and a short story by Anthony Burgess modeled after a Mozart symphony Analyses of three large emblematic attempts at musical writing follow The much debated Sirens episode of James Joyce's *Ulysses* which the author famously likened to a fugue Burgess largely ignored *Napoleon Symphony A Novel in Four Movements* patterned on Beethoven's *Eroica*

and Joyce's *Finnegans Wake* which Shockley examines as an attempt at composing a fully musicalized language. After these three larger analyses, Shockley discusses two quite recent brief novels: William Gaddis' novella *Agap Gape* and David Markson's *This is not a novel*, proposing that each of these confounding texts coheres elegantly when viewed as a musically structured work. From the perspective of a composer, Shockley offers the reader fresh tools for approaching these dense and often daunting texts.

The Story of Anzac Charles Edwin Woodrow Bean, 1921

Breakthrough: The Epic Story of the Battle of the Bulge Franklin M. Davis Jr., 2018-02-27

This battle, Hitler said, is to decide whether we shall live or die. Skillfully, secretly, he assembled three German armies: 24 divisions, 250,000 men, 970 tanks and 1900 pieces of artillery. Taking advantage of the harsh winter, he picked a place where the Allied forces were water thin: four American divisions and one armored cavalry regiment, and unleashed a devastating attack to annihilate the outnumbered defenders. Thus started the greatest pitched battle ever fought by the United States in its history, the engagement that destroyed forever the myth of the vaunted superiority of the German soldier.

Eagle Scout to Killer K S Alan, 2018-06-13

This book is graphic and violent because that's what war is. It's not a romantic adventure. Soldiers do not acquire PTSD and moral injury from participating in peaceful endeavors. Although this book is centered on the Vietnam War, it is not meant to be a war story. Do you know the difference between a war story and a fairy tale? A fairy tale starts out, "Once upon a time," while a war story starts out, "No shit, there I was." That's the only difference. From there on, it is all the same. This book is about the emotional toll and lasting effects of the horrors of war that afflict combat soldiers. It is the story of the transformation of a young Eagle Scout into a warrior and the lifelong memories and scars that burden him. These types of traumatic events will haunt combat veterans for the rest of their lives. This is not an antimilitary book. The military itself is made up of brave, loyal, unselfish men and women who leave their homes and risk their lives to make sure we are safe and democracy is preserved. I am proud of my service to this country and of what I did. If there is a fault with the military, it is not with the individual soldier but with the politicians and senior leadership that sometimes take their eye off the ball and the goal of the mission.
