Pioneer Spirits Investigating The Haunted Lewis County Historical Museum:

Pioneer Spirits Karen Frazier,Patty Valdez,South Sound Paranormal Research,2014-11-12 The Lewis County Historical Museum in Chehalis Washington houses items from the history of the area s pioneers You ll find more in the museum than artifacts however Many people consider the museum to be one of Lewis County s most haunted hot spots South Sound Paranormal Research has spent the last six years investigating the Lewis County Historical Museum and getting to know its ghosts Here they share the data they have collected while providing eyewitness accounts and personal experiences from one of the most haunted locations in Washington State **The Gates of Hell** David Henderson,2024-10-17 This book is mostly a collection of true stories about demonic beings frightening torturing and creating chaos among humans The first reason I authored this book was because I simply enjoy this topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12 *Captive of the Labyrinth* Mary Jo Ignoffo,2022-08-01 *Captive of the Labyrinth* is reissued here to commemorate the 100th anniversary of the death of rifle heiress Sarah L Winchester in 1922 After inheriting a vast fortune upon the death of her husband in 1881 Winchester purchased a simple farmhouse in San Jos California She built additions to the house and continued construction for the next twenty years When neighbors and the local press could not imagine her motivations they invented fanciful ones of their own She was accused of being a ghost obsessed spiritualist and to this day it is largely believed that the extensive construction she executed on her San Jos house was done to thwart death and appease the spirits of those killed by the Winchester rifle Author and historian Mary Jo Ignoffo s definitive biography unearths the truth about this reclusive eccentric revealing that she was not a maddened spiritualist driven by remorse but an intelligent articulate woman who sought to protect her private life amidst the chaos of her public existence and the social mores of the time The author takes readers through Winchester s several homes explores her private life and by excerpting from personal correspondence one learns the widow s true priority was not dissipating her fortune on the mansion in San Jos but endowing a hospital to eradicate a dread disease Sarah Winchester has been exploited for profit for over a century but *Captive of the Labyrinth* finally puts to rest the myths about this American heiress and in the process uncovers her true legacies **Pony Express Courier** ,1949 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Supernatural** Karen Frazier,2017-04-30 *Supernatural* explores life s unexplained mysteries including ghosts psychic phenomena ESP cryptids parallel universes time travel near death experiences reincarnation and much more Karen has written articles and worked as a columnist for *Paranormal Underground Magazine* since 2008 She has also hosted
