

# Sage Evolution delivers an entire business management solution

## It's the new way to work

Sage Evolution ERP is a solution that brings all aspects of your operating environment together, giving you the ability to control your financial situation as well as your relationships with your customers, suppliers and employees.

Developed within the Sage Evolution Framework™, all components and modules in the Evolution range are fully integrated. They share a common interface, providing a consistent user experience. The Microsoft® SQL Server database ensures data integrity and maintains all your data in one central database. Sage Evolution as a core product is feature-rich, but the add-on modules that are available make it a truly revolutionary ERP software solution.
