The Pastor's Note John L. Spurgeon, 2017-03-06 Throughout the gospel we find how Christ used parables to describe our personal relationship with God He took the tangible things of life as example to illustrate a spiritual life in Christ The devotional before you has one hundred devotions many based on parables of my life and stories I recall Why one hundred One hundred represents fullness and a completion as well as principle of return My first hope is that your reading this will not only help you to recognize that everything is spiritual but also give you an opportunity to know and experience more of God's presence Second my hope is that completing this devotion won't mark an end or

accomplishment but that you will be spiritually primed to pursue greater depths in an intimate relationship with our Savior
 And last with the principle of return I pray that you will continue to grow and be further profitable to Gods kingdom and
