Patient Information

Lucy

Parks

First Name

Last Name

09/10/1985

Date of Birth

11/23/2022

Date

Subjective

Lucy said that her cravings have reduced in both severity and frequency, around "1-2 times a day". Lucy stated she is "determined to stay clean this time", citing her daughter as her biggest motivator.

Objective

Lucy was calm and attentive. She displayed no signs of relapsing and drug test results were negative. Lucy's speech was normal in rate and articulation. Weight is stable and unchanged.

Assessment

Lucy appears to be effectively managing her sobriety. Her cravings have reduced and withdrawal symptoms are almost entirely gone. Lucy is performing well at work and has re-established a positive relationship with her daughter.

Plan

Lucy will have weekly sessions for the next month and then we will reassess and likely reduce sessions to fortnightly. Lucy will continue her current treatment plan and is focusing on strengthening her interpersonal relationships, especially with her daughter and other family members.

Edition has also been updated to reflect changes in the American Occupational Therapy Association's Occupational Therapy Practice Framework Domain and Process Fourth Edition. What's included in Documentation Manual for Occupational Therapy: Numerous worksheets for students to practice individual skills with suggested answers provided in the Appendix. Updated information on coding, billing, and reimbursement to reflect recent Medicare changes, particularly in post-acute care settings. Examples from a variety of contemporary occupational therapy practice settings. Included with the text are online supplemental materials for faculty use in the classroom. Instructors in educational settings can visit the site for an Instructor's Manual with resources to develop an entire course on professional documentation or to use the textbook across several courses. One of the most critical skills that occupational therapy practitioners must learn is effective documentation to guide client care, communicate with colleagues, and maximize reimbursement. The newly updated and expanded Documentation Manual for Occupational Therapy Fifth Edition will help students master their documentation skills before they ever step foot into practice.

Documentation for Physical Therapist Practice Jacqueline A. Osborne, 2015-07-31. Documentation for Physical Therapist Practice: A Clinical Decision Making Approach provides the framework for successful documentation. It is synchronous with Medicare standards as well as the American Physical Therapy Association's recommendations for defensible documentation. It identifies documentation basics which can be readily applied to a broad spectrum of documentation formats including paper-based and electronic systems. This key resource utilizes a practical clinical decision making approach and applies this framework to all aspects of documentation. This text emphasizes how the common and standard language of the Guide to Physical Therapist Practice and the International Classification of Functioning, Disability, and Health (ICF) model can be integrated with a physical therapist's clinical reasoning process and a physical therapist assistant's skill set to produce successful documentation. Includes content on documentation formats: Initial Evaluations, Re-examination Notes, Daily Notes, Conclusion of the Episode of Care, Summaries, Home Exercise Program, Reviews. All the important issues related to style, types of documentation, and utilization of documentation. Covers documentation relevant in different settings: inpatient, home health, skilled nursing facility, outpatient. Helps students learn how to report findings and demonstrate an appropriate interpretation of results. Includes up-to-date information in line with APTA Guidelines for Defensible Documentation, World Health Organization International Classification of Functioning, Disability, and Health, Medicare Reviews, electronic documentation, ICD-9, ICD-10, and CPT codes. Includes important chapters on Interprofessional Communication, Legal Aspects, Principles of Measurement.
