

It should be clear which ideas are yours and which belong to someone else.<sup>1</sup> Including sources in your text should be done “through quotation, paraphrasing, summarising, analysis, interpretation, discussion and evaluation of sources.”<sup>2</sup>

When citing sources in your text, “make sure they are placed where they belong.”<sup>3</sup> There are two elements to citing sources in your text in the Chicago notes and bibliography style: (1) a superscript note number should be placed at the end of a sentence or clause, and after a quotation;<sup>4</sup> (2) a corresponding footnote at the bottom of the page.

A bibliography provides the full details of sources at the end of your assignment.<sup>5</sup> Every source cited should be in your bibliography.<sup>6</sup>
