Date

National Association of Student Councils
c/o NASC Student Leader Certification
1904 Association Drive
Reston VA 20191

To Whom It May Concern:

I am writing today to recommend (***STUDENT NAME***) be named a certified student leader through the NASC Student Leaders Program. In addition to his/her meeting the required criteria, I would like to highlight additional reasons why this student should receive the award.

STUDENT is an outstanding young leader who has made a difference here at ***SCHOOL*** and who is committed to the student council. I have had the pleasure of observing and working with ***STUDENT*** for two years and have witnessed his/her leadership in action.

One of the best examples I can cite that will illustrate what typifies this young man/woman occurred last year when s/he was working with the student council to assist with a local blood drive. The activity became a passion and his/her efforts and ingenuity were directly responsible for signing up over 300 student volunteers to either give blood or recruit their parents and others. It was one of the most successful drives of the year.

As ambassadors for our school our student council members are known to our parents and community. ***STUDENT*** works diligently each year to reflect to the community the pride and spirit we have here at ***NAME*** High School.

It is for these and other similar and compelling reasons that I am recommending ***STUDENT*** As ambassadors for our school our student council members are known to our parents and community. ***STUDENT*** works diligently each year to reflect to the community the pride and spirit we have here at ***NAME*** High School.

It is for these and other similar and compelling reasons that I am recommending ***STUDENT*** for the honor of being recognized by NASC as a Distinguished Student Leader.

Sincerely,

Mr./Ms. Principal

Graham provides a comprehensive biography of a highly influential educationist and psychoanalyst. The book covers Isaac's childhood through to the end of her life, making it of great interest to historians of British education and of psychoanalysis as well as to practicing early years teachers and psychoanalysts. Graham describes the origins of the theories behind Isaac's work while also placing her contribution into context with other contemporary educationists. He draws on a range of sources including her own published and unpublished papers, multiple archives, and intimate letters. Such wealth of information and anecdotes gives an insight into her childhood, marriage, and career, creating a deeper understanding of both Isaac's personal life and her achievements. As only the second biography on Isaac, this book is a valuable resource that shines a light on the life of a figure who has often been neglected in this field of study. It provides a shift away from the various male-dominated accounts currently prevalent within this area of research. Susan Isaac is crucial reading to raise our awareness and appreciation of the person behind the work while also highlighting and celebrating the impact she has made on today's education and psychoanalytic practice.

Breaking the Silence Joseph Blase, Jo Blase, 2003. This book exposes the various manifestations of mistreatment of teachers by principals, offering practical solutions for its prevention and correction. Information comes from a study involving interviews with elementary and secondary teachers from rural, suburban, and urban areas across the United States and Canada. The book provides tools necessary to identify destructive behavior and raises awareness of this common phenomenon in order to break the cycle of abuse. Key features include real-life examples and testimonials, specific forms and indicators of mistreatment categorized into three levels, descriptions of the effects on schools and teachers professionally and personally, and solutions for overcoming this problem. Seven chapters focus on: 1. The Problem of Principal Mistreatment of Teachers; 2. The Many Faces of Moderate Mistreatment: From Discounting Teacher to Offensive Personal Conduct; 3. Escalating Mistreatment of Teachers: From Spying to Criticism; 4. Severe Mistreatment of Teachers: From Lying to Destruction; 5. The Effects of Principal Mistreatment of Teachers: Lasting Wounds and Damaged Schools; 6. Worlds of Pain: The Undoing of Teachers; and 7. Overcoming the Problem of Principal Mistreatment of Teachers: What Can We Do. Contains approximately 225 references. SM
