Klein, 2017 This book provides an in-depth analysis of representations of female murderers in modern American drama Paying close attention to the plays plot form and style the study seeks to come to terms with the dramatic and cultural function of this phenomenon Given the rarity of female murder in real life the popularity and prevalence of this theme in culture is striking and unsettling at the same time After all a woman who kills not only violates against basic social rules but also upsets gender norms This potential to break with an ideology that rests on hierarchically structured gender binaries equips the figure of the female murderer with the power to symbolically kill established views about gender and sexuality It

is this ideologically disruptive potential that makes the female murderer a fascinating object of study as her cultural figuration may provide information about the meaning assigned to women at a certain historical moment **Colder: The Bad Seed #5** Paul Tobin, 2014-12-24 Eisner winner Paul Tobin Reece is trapped in the hungry world Swivel's torture of Declan reaches a devastating climax and a familiar face makes a terrifying reappearance Don't miss Paul Tobin and Juan Ferreyra on *Prometheus Fire and Stone* *Laughing, Screaming* William Paul, 1994 An examination of an extremely popular box office genre the gross out movie *Laughing Screaming* is a serious study of this unashamedly lowbrow product
