Making Connections

A Laboratory Activity for the Course Environment

Measuring Connections

In this online environment, students are given feedback on questions on the course level. But students themselves have indicated that progress reports in the course algorithm that a student indicates if they have completed a task and how long it took to complete the task is a good indicator of their progress. Many students indicate that they are not sure if they are making progress and how to measure it.

Following and explaining connections in the course is a key part of the course. The course is designed to be a learning experience for all students. Students are encouraged to make connections in the course and to explain them. The course is designed to be a learning experience for all students.
