Object Lessons For Children Obeying Their Parents:

Object Lessons for the Cradle Roll Frances Weld Danielson, 1915 Epic Families, Equipping Parents to Inspire Their Children to Know God Beth Meltzer, 2014-09-29 Epic Families not only identifies a problem within today's church but presents suggestions that equip parents to raise kids who are passionate for Jesus and offers ways that churches can partner with and empower parents in this mission. Definitely well worth the read. Rev Allen Perdue, Lead Pastor, Jersey Life Church. Today's children are not raised in a bubble. Daily they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations. Epic Families strives to help parents reclaim their God-given mandate to raise their children to know and love Him. Developed through more than a decade of ministry experience as well as one-on-one coaching with parents and church staff, this book identifies ways that the church has taken over a role that was designed for parents. It offers suggestions to parents to help them confidently teach their children about the God who made them, loves them, and wants a relationship with them, while also suggesting ways that churches can partner with parents while not usurping the parents' role. Epic Families can empower parents to inspire their children to trust God and make wise choices. In the busy and sometimes scary world we live in, parents need to intentionally showcase God's presence to their children and let Him permeate their lives. This book offers them a valuable resource to do that. Object Lessons Jessie P. Sullivan, 1981-11 **Object Lessons for a Year (Object Lesson Series)** David J.
