

Gemini.

More dash for your cash.

Your dollars go a long way on a 1981 Gemini.

You'll discover that when you see its low price tag.

And when you consider its high mileage. After all, this is the snowmobile that has delivered more MPG than any other in two years of industry-wide independent testing.

But while it's frugal, the Gemini is also fun. A breeze to start. Handles like a charm. And is a swift runner, even through moguls and drifts.

And it's one more thing no other economy snowmobile could ever be. A Polaris.

Which means your cash will go a long way for a good long time.
