

# AP English Language & Composition Exam Review & Study Guide

## Hello A2 AP Lang Students!

It is that time of year for the AP English Language exam!

Be proud of yourself for making it to the end. Being in any AP class is respectable, so even if you don't get your ideal score on the exam, know that it simply is what it is. All that matters is that you've tried your hardest, and actively put in effort to do the best that you could.

I believe you can do it! And lastly, thank you for using my review (if you do decide to use it), for taking the time to utilize what I took the time to create. I really hope that this was able to help.

But for now, good luck studying, and good luck on the exam! Manifest that 5! - Bill

## **Layout**

You probably know this by now, but in case you don't the exam is split into two parts, the Multiple Choice Section and Free Response Section.

- MCQ - 45 Questions by 60 Minutes - 45%
- Essays - 3 Questions in 135 Minutes - 55%
  - Synthesis - 55 Minutes
  - Argumentative 40 Minutes
  - Rhetorical Analysis 40 Minutes

## **Warning**

This probably won't be as official or formal as any of those super scholarly reviews, like the ones who come from actual AP graders who can be like "oh yeah, study this one word because it's always on the FRQ" or something like that, but I don't know, maybe you'll find studying a review in a more casual tone from another student first-hand to be more helpful. Whatever works best for you.

- For the love of god and everyone else; please do not cram this doc last minute before the exam. It is being released like 2 weeks in advance for the sake of being used over the span of 2 weeks.
- I tried to put everything I imagine would be useful, if i'm missing something you feel is critical or necessary feel free to snap me.
