records and expert insights this work unravels the captivating rise of Yogi Bhan as disillusioned American youth eagerly embraced him as the Eastern guru they believed they needed As his following grew rapidly he wove a narrative of destiny proclaiming that his devotees were predestined to guide humanity in the transition from the Piscean to the Aquarian Age Yet behind the facade of spiritual enlightenment Bhan cunningly manipulated controlled exploited and abused his followers and their children He was involved in drug and arms smuggling and fraudulent businesses Throughout his reign Yogi Bhan hobnobbed with the powerful including encounters with presidents popes and the Dalai Lama The governors of California and New Mexico became his confidants unaware of the web of deception he spun Under his leadership billion dollar enterprises like Yogi Tea and Akal Security flourished Such was the influence of this enigmatic figure that upon his passing in 2004 the American Congress honored him with a two page resolution while New Mexico inaugurated the Yogi Bhan Memorial Highway However it wasn't until the early 2020s when a former leader of the 3HO community came forward with her testimony that the truth began to emerge from decades of silence Under the Yoga Mat reveals the harrowing experiences of hundreds of ex 3HO members shedding light on the isolation neglect hunger and abuse they endured in schools in India from a tender age Shockingly it is estimated that Yogi Bhan sexually abused approximately 100 women justifying his actions with the chilling statement Rape is always invited At the heart of this extraordinary book lie the stories of these courageous 3HO survivors Coenen's masterful narrative not only exposes the crimes themselves but also explores why a culture of silence persisted for so long engendering fear and obedience among the followers As the shadows of the past give way to the truth their accounts serve as a rallying cry for justice and healing With its compelling blend of investigative research personal testimonies and historical context Under the Yoga Mat challenges our perception of spiritual leaders champions the resilience of survivors and sparks a critical conversation about power manipulation and the darker side of spiritual movements
